

OUR LEGACY

Completed Projects

1979 - 2024

baldwinengineering.net

SINCE 1979

No.	Description of Work	Year
497	Design, manufacture, supply of Compressed air buffer tank, to BEKO, 10th or Ramadan City, Egypt.	2024
496	Design, manufacture, supply & erection of Baldwin HB2200 hot water boilers, chimney flue passages, duplex primary pumps, water treatment/ make-up/pressurization & expansion module, electrical power/control panels, piping & contracting work on site, at & for El Seweedy Eclectics Factory – Ain Sokhna – Egypt.	2023
495	Design, manufacture, supply & erection of Baldwin HB3000 hot water boiler, and Baldwin 5,000 Lit Storage calorifier water/water, to Sina Touristic Company, at Helnan Marina Sharm Hotel – South Sinai – Egypt.	2023
494	Design, manufacture, supply & erection of 2 x Baldwin HBX300/500 hot water boilers, chimney flue passages, 2 x Baldwin 3,500 Lit Storage calorifiers water/water, duplex primary pumps & expansion vessels, electrical power/control panels, piping & contracting work on site, at & for El Araby head Quarter – 5th Settlement - New Cairo – Egypt .	2023
493	Design, manufacture & supply of Storage Water/Water calorifiers & mountings/controls, forCoral Sea Hotel & Resort, at Sharm El-Sheikh, Sinai, Egypt.	2023
492	Design, manufacture & supply of specialty Polyol chemical tanks, specialty Isocyanate chemical tanks, specialty Cyclopentane chemical tanks, Nitrogen tanks, Blend Buffer tanks, at & for BEKO new factory in 10th Ramadan City – Egypt.	2023
491	Design, supply & commissioning of 4 x Fuel Oil Systems, Tier 3 Configurations, including PLC control panels, valves, pumps, .etc. , at Military Base: Muhammad Naguib, Al Alamein, Egypt,for Hassan Allam Contractors.	2023
490	Design, manufacture, supply, erection & commissioning of 2 x Baldwin hot water boilers HB2 ,3300 x Storage calorifiers 7500 Lit, 1 x Pool HX, Chimney & breaching, at Celia Compound, New Capital City, for Atrium Quality Contractors.	2023
489	Design, manufacture, supply & commissioning of 2 x Thermal Storage Buffer tanks & Control system/valves, each 10,900 Lit, for chilled water system, at Military Project B10, New Capital City, for Gharably Contracting Company.	2023
488	Design, manufacture of 1 x Non-Storage heat exchanger, water/water, to Sieera Hotel, Sharm Elshiekh, Sinai, Egypt	2023
487	Design, manufacture of 1 x Storage Calorifier, steam/water, to MFO – North Sinai, Egypt	2023
486	Design, manufacture of 4 x Suction heaters [steam heated] at Shell Oils Refinery – 6th October city, Egypt, for ONSPEC Tawakol.	2023
485	Design, manufacture, supply & erection of : 2 x Baldwin hot water boilers + 2 x Chimneys + 2 x Baldwin non-storage calorifiers + 2 x Primary circulating pump sets + 2 x Secondary circulating pump sets + 2 x Expansion vessels + 1 x Hydrofore / Pressurization system + Water softener & Chemical treatment system + Electrical control & power panels + Piping systems + Thermal Insulation + Electrical cabling/wiring – At AM food factory in 10th Of Ramadan City, for AM Group. – Egypt.	2022

484	Design, manufacture of 4 x Viscous Fluids Tank's Suction heaters (steam heated) at Shell Oils Refinery – 6th October city, Egypt, for ONSPEC Tawakol.	2022
483	Design, manufacture of 3 x Baldwin Surge vessels – 25 Bar.g. – at Ahmad Hamdy Tunnel – West Side – for Concord .	2022
482	Design, manufacture of 3 x Baldwin Surge vessels – 25 Bar.g. – at Ahmad Hamdy Tunnel – East Side – for Petrojet .	2022
481	Design, manufacture, , supply & erection of : 2 x Baldwin hot water boilers + 2 x Chimneys + Electrical control & power panels + Piping systems + Thermal Insulation + Electrical cabling/wiring – At Royal Savoy Hotel & Resort – for Tirana Touristic Investments – Sharm Elsheikh – Sinai – Egypt.	2022
480	Design, manufacture, supply & erection of : 3 x Baldwin hot water boilers + 3 x Chimneys + 3 x Baldwin storage calorifiers + 4 x Primary circulating pump sets + 2 x Secondary circulating pump sets + 2 x Expansion vessels + 6 x Zone Balancing valves stations + Chemical treatment system + Electrical control & power panels + Piping systems + Thermal Insulation + Electrical	2022
479	Design & manufacture of 8 x Of shell & tube heat exchangers for Engines Jacket water cooling & After coolers cycles cooling, for Cummins – EIM , at the new central bank of Egypt head quarter – New Capital – Egypt.	2022
478	Design, supply of 3 x Off Chilled water thermal storage buffer tanks , for new Suez Tunnel Project, to MAAFCO contractors, Egypt.	2022
477	Supply, strat-up of 4 x ARBE's Domestic storage water heater, water/water, in full st.st. 316L, with WRAS approved ancillaries, at the Address Hotel, for Emaar Egypt – Marasi – North Coast – Egypt.	2022
476	Design, manufacture & start-up of Baldwin's Duplex Unit Heat Exchanger module, Thermal Fluid to Bitumin, with controls, for & at BITUNIL – Alexandria, Egypt.	2022
475	Design, manufacture, supply & erection of 2 x Baldwin HB2000 hot water boilers, chimney works, 2 x Baldwin Storage Calorifiers, 1 x Baldwin Non Storage Pool Heat Exchanger, Quadro primary pumps , Duplex secondary pumps, Expansion tanks/systems, make-up system, piping system, thermal insulation & cladding and Electrical power & control panels – at the new Presidency Helnan Hotel – Maamoura Alexandria, for Fatthy Hammad Sons Contracting Co. – Alexandria, Egypt.	2022
474	Design, manufacture & start-up of Heated Aromatic Oil Tank c/w internal heating coil, charging pump module, discharging pump module, Thermal heating oil control system, for & at BITUNIL – Alexandria, Egypt.	2022
473	Design, manufacture, supply & start-up for 2 x Baldwin Electric Storage Water Heaters ESC36-600, at new Palestine Embassy in New Cairo, Egypt – for Contrade Engineering Contractor.	2022

472	Design supply & erection of piping system for steam, water, process, for: Hotwell tank, Blow down vessels, steam manifold/header, water softener, dosing sets, chimney & flue gas passages, Process Heat exchangers, controls, valves,...etc. for Green Kem – Sadat City – Egypt.	2021
471	Design, manufacture & supply of Steam Boiler plant components: Hotwell tank, Blow down vessels, steam manifold/header, water softener, dosing sets, chimney & flue gas passages, Process Heat exchangers, controls, valves,...etc. for Green Kem – Sadat City – Egypt.	2021
470	Supply of Boiler/Burner systems to Al-Twakol Cement Facility – Khartoom – Sudan	2021
469	Design & supply & erection of new piping system, at Namru 3, Cairo, for Global Contracting co. – Cairo – Egypt.	2021
468	Rehabilitation of 2 x Byworth SX1500 steam boilers, all steam boiler room components, supply & erection of blow down vessel, at Namru 3, Cairo, for Global Contracting co. – Cairo – Egypt.	2021
467	Design, supply & erection of steam & condensate networks/piping, for the production facility plant, at Purus Food & Beverages factory, Sadat City, Egypt.	2021
466	Design, supply, fabrication, installation of 2 x Baldwin/Byworth SMX1500 steam boilers, chimney, Fuel oil system of main UL142 diesel fuel tank, Daily UL 142 diesel fuel tank, fuel transfer pumps, Blow down vessel, Hotwel feed water tank, steam headers, duplex water softener, chemical dosing sets, piping system inside & outside boiler room, electric power & control panels, electrical wiring/cablings, at Purus Food & Beverages factory, Sadat City, Egypt.	2021
465	Supply of 5 x Plate heat exchangers, 1000 kW, ARBE UK, to Pyramids developments, in New Capital City – Egypt.	2021
464	Supply of DUNPHY TL35ZHL, diesel fuel oil burner, to MFO, North Sinai, Egypt.	2021
463	Design, supply & erection of Duplex ATS main electric` power/control panels, for the fuel oil system, for Two-Wire contractors, at the Cloud Center TE Data 5 G center, Smart Village – Giza – Egypt	2021
462	Supply & erection of diesel fuel oil day tanks valves/control panels, for 5 day tanks, for Two- Wire contractors, at the Cloud Center TE Data 5 G center, Smart Village – Giza – Egypt (an uptime project)	2021
461	Supply & erection of chilled water control system, chilled water tanks accessories & controls, for Two-Wire contractors, at the Cloud Center TE Data 5 G center, Smart Village – Giza – Egypt - (an uptime project)	2021
460	Mobilization, lifting, installation of 2 x thermal storage buffer tanks, for Two-Wire contractors, at the Cloud Center TE Data 5 G center, Smart Village – Giza – Egypt (an uptime project)	2021

459	Design, supply, fabrication, installation of 2 x 520,000 LIT API650 fuel oil storage tanks, controls, Pumping stations, electro-mechanical installations (piping/wiring) electric control/powr panels / PLC systems, 12 x day fuel oil tanks controls & accessories, at Abu- Rawwash water treatment project, Abu Rawwash, Giza, Egypt, to Orasqualia [JV Orascom + Aqualia Spain]	2020
458	Supply of 5 x Plate heat exchangers, 1000 kW, ARBE UK, to Pyramids developments, in New Capital City – Egypt.	2020
457	Design, manufacture, supply & erection of Baldwin electric storage water heater, circulating pump sets, expansion tanks, piping, thermal insulation, electric panels & wiring, at Laqqana Buchery Facility, Delta/Behairah, Egypt, for Green Wave Company	2020
456	Design, manufacture, supply & erection of Baldwin direct fired water heater, storage hot water pressurized vessel, circulating pump sets, expansion tanks, fuel oil tanks, piping, thermal insulation, electric panels & wiring, at Ras Gharib Buchery Facility, Sinai, Egypt, for Green Wave Company	2020
455	Supply of AXI – Fuel Oil Polishing & Treatment system, at TEDATA Cloud Hub, Abu-Rawwash, Giza, Egypt, for 2-Wire Company (an uptime project)	2020
454	Design, manufacturing, supply & erection of 2 x 30,000 Lit Chiller water Thermal Storage Buffer Tanks, at TEDATA Cloud Hub, Abu-Rawwash, Giza, Egypt, for 2-Wire Company (an uptime project)	2020
453	Design, manufacture, supply & erection of Baldwin HB500 hot water boiler, ARBE Plate HX, primary & secondary pumps, expansion tanks, piping, electric power panels, to and for APOTEC Factory – 6th of October City – Egypt	2020
452	Design, manufacture, supply & erection of 2 x Direct fired water heaters in stainless steel 277 kW, hot water storage cylinders, circulating pumps, fuel tanks, piping system, electrical system, for Road Master Company, at Marina Time Hotel – Alamein – North Coast – Egypt	2020
451	Design, manufacture, supply & erection of 2 x fuel oil tanks – UL58 double wall, 14000 Lit - UL 4 + 58 fuel oil pumps, piping, valves, instrumentations, for ARGINZA contractors, at the Public Centre & Memorial Centre – New Capital City	2020
450	Design, manufacture, supply & erection of 10 x fuel oil tanks – UL58 double wall, 9000 Lit – UL 24 + , 58 fuel oil pumps, piping, valves, instrumentations, for ARGINZA contractors, at the Public Centre & Memorial Centre – New Capital City	2020
449	Design, supply & erection of electro-mechanical work, piping/wiring, for 2 x fuel oil tanks – UL58 double wall, 35000 Lit, fuel oil pumps, piping, valves, instrumentations, all according to UPTIME maintenance , for Two-Wire contractors, at the Cloud Center TE Data 5 G center, Smart Village – Giza – Egypt (an uptime project)	2020
448	Design, manufacture, supply & erection of 2 x fuel oil tanks – UL58 double wall, 35000 Lit, fuel oil pumps, piping, valves, instrumentations, all according to UPTIME maintenance , for Two-Wire contractors, at the Cloud Center TE Data 5 G center, Smart Village – Giza – Egypt (an Uptime project]	2020
447	Design, manufacture & supply of 3 x Baldwin Storage water/water calorifiers, St.St. 316L, c/w controls/fitings, to MARS – 6th October – Egypt.	2020

446	Design, manufacture, supply & erection of supply of Portable mobile hot water system, comprising Baldwin HBK60 hot water boiler, water treatment softener & dosing, make-up & expansion tanks, primary circulating water pumps, electric power/control panels, piping/insulation & wiring, to Al-Tawwakol Steel Industries – 10th of Ramadan City – Egypt	2020
445	Design, manufacture & supply of Baldwin ECS Electric storage water heater, to the MFO (Multinational Forces & Observers) – Sinai – Egypt	2020
444	Design, manufacture & supply of 1 x Baldwin FOT.58 UL Listed double wall fuel oil tanks (Diesel) + fuel transfer pump sets + valves + instrumentation + control panels, at CFC buildings , to ATS Company – Egypt.	2020
443	Design, manufacture, supply & erection of UL listed steel base frames/saddles for fuel oil tanks supplied to the New Opera House, New Capital City, for Orascom – Egypt	2019
442	Design, manufacture, supply & erection of supply of 2 x Baldwin/Byworth HB3300 hot water boilers, 3 x Baldwin Vertical Storage Calorifiers [water/water], free standing chimneys, fuel oil system (main tanks + day tanks + fuel pumps + control centre), dosing sets, primary pumps, secondary pumps, expansion tanks, electrical panels, piping system, thermal insulation & cladding, at Mehallet Marhoum Hospital – Elmahallah – Egypt, for the Arab Contractors - Egypt.	2019
441	Engineering & Consultation scope, for fuel oil (Gasoline + Diesel) complete receiving, storing, distribution, extract/usage points, control system, instrumentation, valves & piping, at Four Seasons Sharm Elsheikh, for Talaat Mustafa Company – Egypt	2019
440	Design, manufacture & supply of 2 x Baldwin FOT.58 UL Listed double wall fuel oil tanks (Diesel) + fuel transfer pump sets + valves + instrumentation + control panels, at CFC buildings , to ATS Company – Egypt.	2019
439	Design, manufacture & supply of 2 x Baldwin FOT.142 UL Listed double wall fuel tanks (Gasoline + Diesel) at Four Seasons Sharm Elsheikh, to Talaat Mustafa Company – Egypt.	2019
438	Design, manufacture, supply & erection of 2 x Floating Head condensers (shell & tube) , and 2 x Coil type gas coolers, to INFERT Fertilizer Company – Sadat City – Egypt.	2019
437	Design, supply of 4 x Baldwin/Byworth SMX3000 steam boilers, 6 x Baldwin Vertical Storage Calorifiers (steam/water), chimneys, water softeners, dosing sets, 2 x Baldwin Hot well tanks/feed water, 1 x steam headers/manifolds, 3 x hot water headers/manifold, 2 x Baldwin Condensate units, 2 x twin condensate return pumps, all hot water circulating pumps, expansion tanks, valves, steam traps, strainers, air vents, piping system, electric cabling wiring and electric power/control panels, thermal insulation & cladding, at El-Mansoura Medicine School/ University, for Arab Contractors – Egypt.	2019
435	Design, supply of 10 x Baldwin FOT.58 UL Listed main underground fuel oil tanks/valves/instrumentation/controls, 10 x fuel pumps/valves/controls, 14 x day tanks mountings/controls/instrumentation, flame arrestors, electric power/control panels, to/for Orascom Construction Industries, project #5000 Opera Zone, New Capital City, Egypt	2019

436	Supply & erection of all kitchen equipment/machinery, cold stores, for/to Al Galah Hotel #1, Sea View, Military Authority, Sokhna, Egypt – Phase #2	2019
434	Supply & erection of all kitchen equipment/machinery, cold stores, for/to Al Galah Hotel #1, Sea View, Military Authority, Sokhna, Egypt – Phase #2	2018
433	Design, supply of 2 x fuel oil underground tanks,/controls, 2 x fuel transfer pumps/valves, set of day tanks mountings/controls, electric power/control panels, for El-Melaiz Military Airport, to Contrack, Sainai, Egypt.- Phase #3,	2018
432	Supply & erection of all kitchen equipment/machinery, cold stores, for/to Al Galah Hotel #1, Sea View, Military Authority, Sokhna, Egypt – Phase #1	2018
431	Supply of TLV steam traps/components, to & for Ethydco – Tender #3, Egypt.	2018
430	Design, supply of packaged Skidded System, housing Baldwin/Byworth HB5000 hot water boiler, chimney, fuel oil day tank/controls, water softeners, dosing sets, make-up water	2018
429	Design, supply of Baldwin blow down vessel, TLV valves/traps, for/to Farmfrites, 10th of Ramadan, Egypt.	2018
428	Design, supply & erection of piping system of steam, condensate, HVAC water, domestic water, Swimming pool water, fuel, and Electrical cabling/wiring, thermal insulation/cladding, for the boiler room/system, for/to Elite Hospital, Alexandria, Egypt.	2018
427	Design, supply of Baldwin/Byworth SX5000 steam boiler, chimney, fuel oil day tank/controls, water softeners, dosing sets, pressurized deaerator, blow down vessel, steam headers/manifolds, pressure reducing stations, 2 x Baldwin 3000 Lit. Calorifiers, 2 x ARBE Plate heat exchangers (HVAC + Swimming Pool), domestic circulating water pumps, HVAC circulating water pumps, Swimming pool circulating water pumps, expansion tanks, electric power/control panels, thermal insulation/cladding for/to Elite Hospital, Alexandria, Egypt	2018
426	Supply of TLV steam traps/components, to & for Ethydco – Tender #2, Egypt.	2018
425	Supply of TLV steam traps/components, to & for Ethydco – Tender #1, Egypt.	2018
424	Supply of Dunphy Burners, to Toshiba Al-Araby, Quesna, Egypt	2018
423	Supply of 2 x Byworth PHW350, hot water boilers, 2 x ARBE AL4000, storage calorifiers, primary circulating pumps, secondary circulating pumps, expansion tanks, water softener, dosing sets, electrical power/control panels, chimney, thermal insulation/cladding for Alexandria Contracting Co., at Hilton Plaza, Hurghada, Egypt	2018
422	Design, supply & erection of a master Steam Pressure Reducing Station, to Tutweer Misr, 6th October, Egypt.	2018
421	Design, manufacture, supply & erection of PHASE # 2: diesel fuel oil system, comprising several UL Listed & Stamped Bulk Tanks & Several UL Listed daily service tanks, pumps, controls, piping, fuel oil transfer pumping stations, filling fuel oil cabinet, fuel level controls, valves, alarms, electric power & control panel, piping & electrical wiring/cabling, for Contrack, at Airport Al-Melaiz, Sinai, Egypt	2018

420	Supply of boiler parts – Export – Kempenski Hotel – Djibouti.	2018
419	Design, manufacture, supply & erection of Steam boilers, chimney, blow down system/vessels, Condensate system tanks & pumps, water treatment plant, steam manifolds/headers, feed water hotwel tank, steam PRV stations, Fuel oil daily & main storage tanks/systems, fuel oil filling & transfer Pumping systems, piping systems, electrical power/control panel & field wiring & piping, to and for Arab French Company – RC Cola – Cairo Egypt.	2018
418	Design, manufacture, supply & erection of Steam boiler system, to LARARGE Cement Power Plant – Iraq – Export, for Alexmar.	2017
417	Design, manufacture, supply of Heat Exchanger system to MARS Egypt, for Advances Systems Co.	2017
416	Design, manufacture, supply of Blow down vessel & ancillaries, to Kempiski Djibouti – Export	2017
415	Supply & erection of Byworth FM3000 hot water boiler + piping system, at Savola Egypt, 10th of Ramadan City – Egypt.	2017
414	Manufacture ,supply & erection of 2 x Byworth HB2200 ho twater boilers + storage water/water calorifiers, + primary pumps + secondary pumps + chimney + water treatment + booster system + electrical work + piping system, at Elmansoura University Eye Hospital – Almansoura – Egypt, for General Egyptian Building Co.	2017
413	Manufacture & supply of exhaust ducting system for power station at DUBA – KSA, for Alexmar Ltd. – Export to KSA	2017
413	Design, manufacture , supply & erection of Pressurized Deaerator 175 TONS, flow rate 240 TONS/HR, at NCIC power station at Ain Sohkna – Egypt, for WUHUAN ENGINEERING LTD. – CHINA .	2017
412	Supply of Byworth SMY4000, steam boiler, to ABAN Carton – Export, KSA	2017
411	Design, fabrication & supply of Stainless Steel Bulk Storage fuel oil tanks, to: NAFFCO	2017
410	Design, fabrication & supply of several UL Listed Bulk Storage fuel oil tanks, to: Power Technology – Egypt	2017
409	Design, manufacture, supply & erection of diesel fuel oil system, comprising several UL Listed & Stamped Bulk Tanks & Several UL Listed daily service tanks, pumps, controls, piping, fuel oil transfer pumping stations, filling fuel oil cabinet, fuel level controls, valves, alarms, electric power & control panel, piping & electrical wiring/cabling, for Contrack, at Airport Al- Melaiz, Sinai, Egypt	2016
408	Design, manufacture, supply & erection of diesel fuel oil system, comprising several UL Listed & Stamped Bulk Tanks & Several UL Listed daily service tanks, pumps, controls, piping, fuel oil transfer pumping stations, filling fuel oil cabinet, fuel level controls, valves, alarms, electric power & control panel, piping & electrical wiring/cabling, for Orascom CI, at New Entity – Almasa Hotel, Army Forces, Egypt.	2016
407	Supply of Byworth MX2000, steam boiler, to Concrete Garments – Egypt.	2016
406	Supply & erection of 2 x Steam Boilers Byworth MX2500, blow down vessel, chimneys, steam headers, feed water deaerator, duplex water softener, chemical injection dosing sets, electric power/control panels, heat exchangers, circulating pumps, steam, water, hot water, drain, steam, condensate, piping system. Electrical panels , wiring, cabling, For & At Elite Hospital, Alexandria, Egypt	2016

405	Design, fabrication & supply of several UL Listed Bulk Storage fuel oil tanks, to: Power Technology – Egypt	2016
404	Design, fabrication & supply of several UL Listed daily service fuel oil tanks, to: Redcon Contracting Co.– Egypt	2016
403	Design, fabrication & supply of several UL Listed daily service fuel oil tanks, to: Power Technology – Egypt	2016
402	Design, fabrication, supply & erection of: 2 x Hot water boilers packaged c/w burners.... etc. (Byworth/Baldwin HB3000) 2 x Chimneys. 4 x Vertical storage w/w calorifiers (Baldwin) in stainless steel. 4 x hot water circulating pumps. 1 x water treatment module (softener + dosing pumps + ...etc.) 1 x Daily Diesel fuel oil tanks (UL Listed 142, single wall, horizontal, cylindrical) 1 x Main diesel fuel oil tank (UL Listed 58, single wall, horizontal, cylindrical) 2 x diesel fuel oil transfer pumps. SET x valves, controls, instrumentation for the project. SET x piping system for the project. SET x electrical panels, control panels & wiring/cabling for the project. At Mahallet-Marhoum Police Hospital, Tanta, for: Arab Contractors – Egypt	2016
401	Design, fabrication, supply & erection of: 2 x Hot water boilers packaged c/w burners....etc. [Byworth/Baldwin HB3000] 2 x Chimneys. 4 x Vertical storage w/w calorifiers (Baldwin) in stainless steel. 4 x hot water circulating pumps. 1 x water treatment module (softener + dosing pumps + ...etc.) 2 x Diesel fuel oil tanks (UL Listed 142, single wall, horizontal, cylindrical) SET x valves, controls, instrumentation for the project. SET x piping system for the project. SET x electrical panels, control panels & wiring/cabling for the project. At Luxor Cancer Centre (Orman Charity Org.), for: Arab Contractors – Egypt	2016
400	Design, fabrication & supply of 1 x 12 Mt ³ , fuel oil tank + Rupture Basin/Dike Tank, (UL Listed 142, Double wall, horizontal, cylindrical), to Mantrac – Egypt – Export	2016
399	Design, fabrication & supply of 5 x 1 Mt ³ fuel oil tanks [UL listed 142 UL, above ground, cubical type],to: Mantrac – Egypt	2016
398	Design, fabrication & supply of 1 x 2500 Lit fuel oil tank [UL Listed 142, above ground, cylindrical , horizontal, single wall] , to : Mantrac – Egypt	2016
397	Design, fabrication & supply of 6 x 45 Mt ³ fuel oil tanks [UL 142 above ground, cylindrical, horizontal, single wall] to : Mantrac – Egypt	2016
396	Supply of TLV Steam pressure control valves, to DOHLER, Egypt	2016
395	Strat-up & commissioning of the steam boilers plant, in Lafarge Cement power plant, Karbalaa, Iraq, for Alexmar – KSA	2016
394	Strat-up & commissioning of the steam boilers plant, in AJE Nigeria, TinCan Island, Nigeria	2016
393	Design, supply & erection of the hot water network at Kafr El-Sheikh university hospital, Kafr Elsheikh, Egypt – for For the Egyptian construction company – Egypt.	2016
392	Design, manufacture, supply & erection of fuel system at Magdy Yaakoub Hear Center, Aswan City, Egypt – for Orascom OCI – Egypt .	2016
391	Electric storage water heater Baldwin MZE2000, for the south camp of the Multinational Force & Observers (MFO) – Sinai – Egypt.	2015

390	Manufacture & supply of pre-fabricated Compressed Air piping system/pipe-lines, for Alexmar UAE, at Lafarge #2 Cement Plant Power Station 80 MW – Karbalaa – Iraq.	2015
389	Supervision of installation, commissioning & start up of 10 x HFO suction heater (steam to heavy fuel oil heat exchanger) – shell & tube heat exchanger – for Orascom Construction & Pgesco, at Assiut New Power Plant 1000 MW, Assiut, Egypt.	2015
388	Design & supply of 10 x HFO suction heater (steam to heavy fuel oil heat exchanger) – shell & tube heat exchanger – for Orascom Construction & Pgesco, at Assiut New Power Plant 1000 MW, Assiut, Egypt.	2015
387	Supply of 4 x Dunphy TG02 fully modulating gas burners , for Toshiba El-Araby, Benha, Egypt.	2015
386	Supply & erection of 2 x Steam Boilers Byworth MX1500, blow down vessel, chimneys, steam headers, feed water deaerator, duplex water softener, chemical injection dosing sets, electric power/control panels, Laundry installation steam, water, hot water, drain, steam, condensate, vents, exhaust piping systems, fire fighting system, ventilation & HVAC works for TND Kitchen Equipp. Company, at Faremont Hotel Nile City Towers, Cairo, Egypt.	2015
385	Manufacture & supply of pre-fabricated Lube Oil System piping system/pipe-lines, for Alexmar UAE, at Lafarge #2 Cement Plant Power Station 80 MW – Karbalaa – Iraq.	2015
384	Manufacture & supply of pre-fabricated Cooling System piping system/pipe-lines, for Alexmar UAE, at Lafarge #2 Cement Plant Power Station 80 MW – Karbalaa – Iraq.	2015
383	Design, manufacture & supply of Air Intake ducting system, and Flue Gas exhaust ducting system, for Alexmar UAE, at Lafarge #2 Cement Plant Power Station 80 MW – Karbalaa – Iraq.	2014
382	Design, manufacture, supply & erection of diesel fuel oil system, comprising 1 x UL Listed & Stamped Bulk Tank 6,000 Lit , horizontal with open dike basin, 1 x UL listed & Stamped day tank 3,000 Lit, horizontal with open dike, duplex fuel oil transfer pumping station, simplex fuel oil filling/receiving pump set, filling fuel oil cabinet, fuel level controls, valves, alarms, electric power & control panel, piping & electrical wiring/cabling, for Sectors Construction Company, at Barclays Head Quarter in City Starts Capital 1, Nasr City, Cairo,	2014
381	Design , manufacture & supply of Containerized Steam Biler House + Containerized Boiler Ancillary equipment , comprising 1 x Byworth Yorkshireman EYX5700, Pressurized deaerator & feed water tank, blow down vessel/separator, steam header/manifold/valves/steam traps, steam PRV station, diesel fuel oil storage tank UL Listed & stamped, diesel fuel oil filling Duplex pump set station, duplex water softener, chemical injection dosing sets, full piping, thermal insulation, cladding, main electric panel & electrical wiring/cabling, to AJE Group – TinCan – Nigeria	2014
380	Design, manufacture, supply & erection of SMX2000 steam boiler, blow down tank, condensate receiving & pumping system, deaerator, water softener, dosing sets, electrical power/control panels, piping system,etc. for & at the MFO North Camp, Sinai, Egypt	2014

379	Design, manufacture, supply & erection of 2 x SMX2000 steam boilers, 2 x MZE2000 storage calorifiers, 1 x NSSF calorifier, circulating pumps, chimney, dosing pumps, water softeners, deaerator, blow down receivers, steam PRV stations, electrical power/control panel, piping system,.....etc. for the Arab Contractors, at Karf-El-Sheikh University, Kafr El-Sheikh-Egypt	2014
378	Supply & erection of Steam PRV station, incl. piping & components, at Dar El-Salam (Hermel) Hospital in Cairo, for Arab Contractors, Cairo, Egypt.	2014
377	Supply & erection of cold & hot water boosting & circulating pumping units, and piping system, for & at El-Menia University, Faculty of Medecin, El-Menia, Egypt.	2014
376	Design , manufacture & supply of 3 x Baldwin waste heat recovery steam boilers 2200 kg/hr @ 10 bar.g., 1 x Byworth SMX3000 fired steam boiler, feed water deaerator, blow down vessel, water softener, dosing sets, steam manifolds & pressure reducing station, to be installed in the 80 MW Electric power generation plant, at Lafarge Cement Plant, in Karbalaa – Iraq, to Alexmar – UAE.	2014
375	Supply & erection of 2 x steam pressure reducing stations, incl. piping & components, to AJE Group – Egypt, at 6th October , Egypt.	2014
374	Design, manufacture, supply & erection of a UL Listed Diesel fuel oil storage tank to UL 20 ,142 Mt3 each, fuel oil filling Duplex pump station c/w control valves & panels, to AJE Group – Egypt, at 6th October , Egypt	2014
373	Supply of blow down vessel, non-pressurized feed water deaerator, for HAIDYLENA pharmaceutical, 6th October City, Egypt.	2014
372	Supply of Byworth MX4000 steam boiler, for HAIDYLENA pharmaceutical, 6th October City, Egypt.	2014
371	Design, manufacture & Supply of 2 x UL Listed Diesel fuel oil storage tank to UL96 ,142 Mt3 each, and 4 x UL Listed Diesel fuel oil storage tanks to UL 5 ,142 Mt3 each, fuel oil filling TRIPLEX pump station c/w control valves & panels, fuel oil TRIPLEX ring main/transfer pump station with return pressurized system control, all electric power/control panels, to NAJAF Hospital, Iraq, Through Consukorra, Egypt.	2014
370	Supply of Cipriani plate heat exchangers to Raya Plaza, 6th October City, Egypt.	2013
369	Design, manufacture, supply & erection of Baldwin CMBI waste heat recovery boiler combined with direct fired section, to Raya Plaza, 6th October City, Egypt.	2013
368	Supply & erection of water softener duplex type, chemical dosing system, blow down vessel, pressurized feed water deaerator, PRV stations, steam headers & manifolds, daily fuel service tank & transfer/filling fuel oil pump station, electric power/control panels, piping system, thermal insulation & cladding, for AJE Group Egypt, 6th October City, Egypt.	2013
367	Supply & Erection of Byworth Yorkshireman EYX 5700 steam boiler, for AJE Group Egypt, 6th October City, Egypt.	2013
366	Supply & erection of Chimney, free standing type, steam PRV station, steam, water & condensate piping, thermal insulation , electrical power & control panels, for KRAFT Foods, Borg Al-Arab, Alexandria, Egypt	2013

365	Supply & erection of Byworth Yorkshireman EYX10000 steam boiler, steam PRV station, chimney, piping, thermal insulation , electrical power & control panels, for KRAFT Foods, Borg Al-Arab, Alexandria, Egypt	2013
364	Supply of 1x Baldwin MZE2000 steam/water heat exchanger, c/w control valves, for the MFO-Cairo-Egypt, at the North Camp of the MFO-Sinai- Egypt.	2013
363	Supply & erection of 1 x Diesel fuel oil storage tank to UL25 -142 Tons, 3 x duplex fuel transfer/filling pump skids, electric power/control panels, 2 x 2500 kW Steam/Water shell & tube heat exchangers c/w control valves, for the Arab Contractors, Egypt, at Dar Assalam Hospital – Cairo – Egypt.	2012
362	Supply, assemble & packaging of fire fighting main station (diesel + main electric + compensation + fuel oil tank + piping + valves + electric power/control + skidding) , and several utility water pumps, drainage pumps, fuel oil pumps, lubricating oil pumps,	2012
361	Supply & assemble of TLV steam trap stations (valves, steam traps, check valves, strainer) and TLV steam thermostatic control inlet stations (thermostatic valves, strainers, valves), for for an 18 MW Electric power generation plant, at Lafarge Cement Plant, in Karbalaa – Iraq, to Alexmar – UAE	2012
360	Design, manufacture & supply of 920 Linear meters flue gas ducting system, incl. flue ducts, tees, elbows, foundations, supports, ...etc. , for an 18 MW Electric power generation plant, at Lafarge Cement Plant, in Karbalaa – Iraq, to Alexmar – UAE.	2012
359	Supply & erection of Byworth SMX250 steam boiler, design, manufacture, supply & erection of steam heated feed water unit, flash vessel, steam PRV station, duplex water softener & dosing units, chimney, piping, thermal insulation , electrical power & control panels, for FOMI Facility, in Badr City, Egypt	2012
358	Supply & erection of Byworth EYX5100 steam boiler, design, manufacture, supply & erection of feed water deaerator, blow down vessel, high & low steam headers, steam PRV station, duplex water softener & dosing units, free standing chimney, piping, thermal insulation , electrical power & control panels, for KRAFT / Cadbury group facility in Borg Al-Arab City, Alexandria, Egypt.	2012
357	Design, manufacture, supply & erection of 1 x Byworth SMX2000 steam boiler, 1 x Baldwin MZF7000 storage steam/water calorifier/heat exchanger + steam/water controls, 1 x Baldwin NS.SS.F3015 non-storage calorifier/heat exchanger + steam/water controls, 1 x chimney, 1 x dosing sets, 1 x main electric MCC panel, piping system, thermal insulation, cladding & electrical wiring/cabling at Moreen Beach, Marsa Alam, Egypt.	2012
356	Supply or TLV steam traps, valves, to SIDPEC , Alexandria, Egypt.	2011
355	Supply of 1x EYX3000 steam boiler, to Global Napi Pharma – 6th October city, Egypt.	2011

354	Supply of 1 x Byworth MX1000 steam boiler, to Bisco Misr – Egypt.	2011
353	Design , manufacture & supply of 2 x Baldwin waste heat recovery steam boilers 1400 kg/hr @ 10 bar.g., 1 x Byworth SMX1000 fired steam boiler, feed water deaerator, blow down vessel, water softener, dosing sets, steam manifolds & pressure reducing station, to be installed in the 18 MW Electric power generation plant, at Lafarge Cement Plant, in Karbalaa – Iraq, to Alexmar – UAE.	2011
352	Design, manufacture, supply, erection, of steam manifold & steam network. For & to : Medical Union Pharmaceuticals, Abu Sultan, Ismailia, Egypt.	2011
351	Supply of Byworth MX1000, to Taki-Vita, Cairo, Egypt	2011
350	Design, manufacture, supply & erection of feed water deaerator, blow down vessel, steam manifolds, water manifolds, chimneys, electric power & control panels, piping system, thermal insulation,..etc. Supply & erection of 3 x Byworth Yorkshireman EYX3000 steam boiler. Supply & erection of 6 x HRS Aquacal storage water/water calorifiers. Supply & erection of 7 x HRS Funke Plate type heat exchangers. Supply & erection of 14 x Grundfos hot water circulating pumps. Supply & erection of water softeners, chemical dosing system & expansion tanks. For & At : Baron Hotels, Sahl Hashish, Hurghada, Egypt.	2011
349	Design, manufacture & supply of Baldwin MZE1500 storage heat exchanger, and Baldwin NS.SS.F. non storage heat exchanger, Supply of 2 x Byworth Blowtherm PHW175 hot water boilers. For : Fast for trading & contracting.	2011
348	Design, Manufacture, supply of Byworth SMX2000 steam boiler, to El-Santa Animal Food Factory, El-Santa, Egypt	2011
347	Design & packaging of fuel oil unloading station, comprising 2 x KSB fuel oil pumps, steel skid, basin, inlet & outlet steel pipe manifolds, valves & hook-up, electric panel & electrical cabling, for Kharafi National, at Elshabab Power Station – Ismailia .	2011
345	Design, manufacture, Supply & erection of Byworth SMX1000 steam boiler, chimney, steam header, blow down tank, feed water system, fuel oil service tank, water softener, chemical dosing pump, electric panels, piping system, electrical cabling, thermal insulation, for & at Barique Recycling Mills, 6th of October City.	2011
346	Design, manufacture & supply of 3 x fuel oil service tanks & systems, for Ram System, at Prima Industries Factory , 6th of October city.	2011
344	Design, manufacture, Supply & erection of Byworth SMX1000 steam boiler, chimney, steam header, piping system, for & at Elsalam Poultry Company – Aslut.	2011
343	Design, manufacture, Supply & erection of 2 Byworth SMX4000 steam boilers, 2 x Baldwin MZF1 ,4000 x MZE1 , 1000 x MZE2000 storage heat exchangers, pressurized deaerator, 3 x condensate return tanks c/w duplex pumping set each, fuel oil service tanks, steam headers, pressure reducing stations, water softener, chemical dosing pumps, fuel oil pumps, hot water circulating pumps, electric panels, piping system, electrical cabling & thermal insulation, for Arab Contractors, at Dar Elsalam Hospital - Cairo	2011

342	Design, manufacture, Supply & erection of 2 x Byworth SMX2500 steam boilers, 3 x Baldwin MZF4000 storage heat exchangers, 2 x NSZF series non-storage heat exchangers, feed water deaerator, blow down vessel, condensate return tank & pumping station, steam headers, pressure reducing stations, hot water circulating pumps, fuel oil tanks, fuel oil pumps, chimney, electric panels, piping system & electrical cabling, thermal insulation, for Egyco, at El-Menia University, Faculty of Medicine – El Menia.	2011
341	Design, manufacture, Supply & erection of Byworth SMX1000 steam boiler, chimney, feed water system, blow down tank, bulk fuel oil tank, fuel oil pumps, steam header, water softener, dosing system, piping system, thermal insulation, electric panel & electrical cabling, for FMC – USA, at their facility in MCL – 10th of Ramadan City.	2011
340	Design, manufacture & supply of 2 x NS.ZF series, Shell &Tube heat exchangers, to Savoy Hotel, Sharm Elshiekh, Sinai	2011
339	Design, manufacture, Supply of Byworth SMX2000 steam boiler, feed water deaerator, blow down vessel, water softener & chemical dosing system, to Soya October – 6th of October – Egypt.	2010
338	Design , manufacture & supply of Baldwin/Byworth S&T heat exchanger NS.SS.F series, to Savoy Hotel, Sharm Elsheikh-Sinai-Egypt	2010
337	Design, manufacture, supply & erection of Fuel Oil System , tanks, pumps, burners, to/at United Textile Company – 10th of Ramadan – Egypt.	2010
336	Design, manufacture, Supply & erection of feed water deaerator, chimney, blow down, fuel service tanks, piping network, to Medical Union Pharmaceutical Factory, in Abu Sultan, Egypt.	2010
335	Supply of Byworth YSX8000 steam boiler, to Medical Union Pharmaceutical Factory, in Abu Sultan, Egypt.	2010
334	Design & manufacture of 2 x Mazout suction heaters units at Abu-Quir Power Station (2 x 650 MW), for PSP/AVIC/ZTPC	2010
333	Design & manufacture of 3 x Mazout collecting /transfer units, including tanks, duplex pumps, controls, electric panels, at Abu-Quir Power Station (2 x 650 MW), for PSP/AVIC/ZTPC	2010
332	Design & manufacture of 3 x Condensate recovery units, including tanks, duplex pumps, controls, electric panels, at Abu-Quir Power Station (2 x 650 MW), for PSP / AVIC/ZTPC.	2010
331	Design & Consultation services for the mechanical work related to a total 40 MW electric power plants (2 x 10 MW + 1 x 20 MW), covering the following aspects:- fuel oil storage, transfer, ring main, spill, interlocking, piping system, firefighting water storage tanks, pumps, sprinklers, piping system, CO2, fire hydrants, hose reels, lubrication system, waste oil, drainage system, in three cities (Mbal Mayo – Ebolowa – Bamenda), in Cameroon / Africa, for PSP .	2010
330	Design, manufacture, Supply & erection of 2 x Byworth 630 kW hot water boilers, 2 x Baldwin MZE8000 water/water storage calorifiers, 2 x Baldwin NS.SS.F water/water non- storage calorifiers, primary circulation system, secondary circulation systems, make-up water system, chimneys, piping system, electrical panels/cabling, at/to Misr International University – faculty of medicine – 6th of October city – Egypt.	2010

329	Design, manufacture, Supply & erection of Byworth SMX4000 steam boiler, chimney, feed water system, water treatment system, pressure reducing stations, blow down vessels, piping system, to/at United Textile Company – 10th of Ramadan – Egypt.	2010
328	Design, manufacture, Supply & erection of Byworth HB1100 hot water boiler, circulating system, make-up system, to/at El-Saadi Wood Factory – Suez – Egypt	2010
327	Supply & erection of Byworth YSY6000 steam boiler to Elnasr Company For Rubber – Tanta – Egypt	2010
326	Design, manufacture, supply & erection of 2 x Baldwin/Byworth MSSE3000 storage steam/water calorifiers, steam PRV station, fuel oil system, 2 x fuel oil pumps, make-up water system, feed water deaerator, chimney, steam, condensate, fuel oil, water piping system, electric panels, thermal insulation, cladding & electrical wiring/cablings, to/at Future Pharma – Badr City	2010
325	Supply & erection of Byworth YSX2000 steam boiler at/at Future Pharma – Badr City.	2010
324	Design of the steam & condensate network, to at/Future Pharma – Badr City.	2010
323	Design, manufacture & supply of 2 x Baldwin/Byworth MZE10000 storage steam/water calorifiers, 2 x circulating pumps, entire steam, condensate & hot water system, to Arab Contractors, at King Fahd Center, Cairo, Egypt	2010
322	Supply & erection of Byworth YSZZ8000 steam boiler, at/at Misr Café – 10th of Ramadan City	2010
321	Supply of Byworth MX1500 steam boilers, to Nile Palace Company, at Steigenberger Hotel – Luxor.	2010
320	Design, manufacture, Supply of Byworth SMX500 steam boiler, to/at Fortex Textile – Sadat City.	2010
319	Supply & erection of steam & condensate piping system, feed water system, water softeners , dosing pumps, steam PRV station, fuel oil piping, thermal insulation, cladding, for Technicorp – at the Naval American Medical Research Unit #3, NAMRU 3, Abbasia – Cairo.	2010
318	Design, manufacture, package & supply of central hot water station, comprising Baldwin/Byworth HBK100 hot water boiler, 2 x primary pumps, 1 x make-up/feed water system, 1 x fuel feed/make up system, water softener, master electric power & control panel, piping, skid mounted station, to/at EECG group – Obour City.	2010
317	Design, supply & erection of Steam pressure & flow metering station, for Misr Café – 10th of Ramadan City.	2010
316	Design of the steam & pressurized hot water system for Misr Café – 10th of Ramadan City.	2010
315	Design, manufacture & supply of Condensate receiving unit, to/at Medial Union Pharmaceuticals – Abu Sultan – Ismailia – Egypt.	2010
314	Supply & erection of 2 x Byworth PHW1200 hot water boilers, 3 x Baldwin MZE6000 storage calorifiers/heat exchangers, 2 x Swep plate heat exchangers, 7 x circulating pumps, fuel oil feed/make-up system, water feed/make-up system, chimneys, electric power/control panels, piping system, thermal insulation, cladding & electrical wiring/cablings, for Abu-Dhabi Touristic Investment Company, at Sofitel Hotel – Sharm Elsheikh – Sinai.	2010

313	Design & manufacture of the fuel feed/makeup system, water feed/make up system, chimneys & master electric power/control panel, supply & erection of the hot water network including 4 x primary circulating pumps, water feed/make-up system, fuel feed/make up system, chimneys, electric panels, piping, thermal insulation, cladding & electrical cabling/wiring, to/at Etamco – Abu-Rawwash – (Ghabbour) - Giza, Egypt	2009
312	Design, manufacture, supply & install the fuel supply & storage system according to UL142, comprising twin underground fuel oil tanks, c/w controls local & remote, ring main fuel oil	2009
311	Design, manufacture, Supply & erection of emergency fuel oil system, comprising 2 x daily fuel oil tanks & 2 x bunds/rupture basins, level controls & electric power & control panels – all in accordance with UL142, at the new Cairo Airport Aviation Tower – through Orascom OCI, Cairo, Egypt.	2009
310	Design, manufacture, Supply & erection of chimney, feed water systems, blow down vessel & system, Pressure reducing stations, water softeners & dosing system, piping system – to NAMRU 3 , Cairo, Egypt.	2009
309	Supply & erection of 2 x Byworth SX1500 steam boilers, to the Naval American Medical Research Unit 3 (NAMRU 3) – in Cairo / Egypt – through Technicorp.	2009
308	Supply & erection of Byworth DM6000 and DM8000 hot water boilers, to Ghabbour Vehicle Factory – Prima Industries, Abu Rawwash, Giza, Egypt	2009
307	Design, manufacture, Supply & erection of 2 x chimney, water softener, dosing system, feed water units, blow down vessel, steam headers/manifolds, pressure reducing stations, and piping system for the entire plant, to Sofitel Hotel – Sharm Elsheikh – Sinai - Egypt, owned by Abu Dhabi Tourist Company – Egypt	2009
306	Supply & erection of 2 x Byworth MX1500/1000 steam boilers, to Sofitel Hotel – Sharm Elsheikh – Sinai - Egypt, owned by Abu Dhabi Tourist Company - Egypt	2009
305	Design, manufacture, Supply & erection of chimney, water softener, dosing system, feed water units, blow down vessel, steam headers/manifolds, pressure reducing stations, condensate receiving & pumping systems, and piping system for the entire plant, to Global Pharmaceuticals – 6 of October city – Egypt.	2009
304	Supply & erection of Byworth Yorkshireman YSX2000 steam boiler to Global Pharmaceuticals – 6 of October city – Egypt.	2009
303	Design, manufacture, Supply of Baldwin Hydrofore 3000 liters storage - to the MFO south camp, Sharm Elsheikh – Sinai, Egypt.	2009
302	Design, manufacture, Supply of 2 x Baldwin MZE2000 electric storage water heaters – to the MFO south camp, Sharm Elsheikh – Sinai, Egypt.	2009
301	Design, manufacture, Supply of fuel oil bulk storage tank – to Ecoconserv – Cairo - Egypt	2009

300	Design, manufacture, Supply of 2 x Baldwin BD6 blow down vessels – to Gafco – for the national sugar company.	2009
299	Design, manufacture, Supply & erection of 2 x Byworth HB2000 hot water boilers, 2 x Baldwin NS.SSF. shell & tube heat exchangers, 1 x Baldwin MZE2000 storage calorifier, fuel oil tanks, pumps, chimney, water tanks, water treatment & piping system – to Happy Land Club for Arts Association – New Cairo Egypt	2009
298	Design, manufacture, Supply & erection of 8 x Baldwin MZV2100, storage hot water heaters + 16 duplex hot water circulators c/w valves & hook up, to Qaryounes Village, Benghazi, Libya – through Al-Khebra Company – Benghazi – Libya.	2009
297	Supply & erection of Byworth Yorkshireman YS2Z 2000 steam boilers – to H.B.Fuller – Egymelt – 6th October City – Egypt.	2009
296	Design, manufacture, Supply & erection of chimney, double wall fuel oil tank, fuel oil pumps, water softener, dosing system, feed water deaerator, steam header, piping system inside & outside the boiler room, condensate receiving & transfer station, to H.B.Fuller – Egymelt – 6th October City – Egypt.	2009
295	Supply & erection of 2 X Byworth MX3000 steam boilers – to New Tropicana Premier Hotel- Sahl Hashish – Hurghada Egypt	2008
294	Design, manufacture, Supply & erection of 2 X Baldwin MZF4000 storage shell & tube steam/water calorifiers c/w all controls & valves, One Double inlet blow down separator, main electric power & control panel, chimney & reaching, water softener & dosing pumping system, Baldwin NSZF3530 swimming pool shell & Tube steam/water calorifiers c/w valves & controls, NSSSF3530 shell & tube water/water calorifier c/w valves & controls, swimming	2008
293	Design, manufacture, Supply & erection of Baldwin/Byworth MZF9500 storage heat exchanger, ping system, for Helnan Marina Sharm Hotel – Sharm Elsheikh – Sinai.	2008
292	Design, manufacture, Supply of Baldwin NS.Z.FFT floating head shell & tube heat exchanger, to PWT – Cairo.	2008
291	Supply & erection of steam & condensate piping system for the laundry & from boiler room till laundry at Radisson Sas Hotel – Alexwest project – Alexandria.	2008
290	Design, manufacture, Supply & erection of Byworth SMX4000 steam boiler, feed water system, water treatment, chimney, steam header, piping system,...etc for United Co. for Medical Supplies – 10th of Ramdan City.	2008
289	Design, manufacture, Supply & erection of Byworth SMX2000 steam boiler, feed water system, water treatment, blow down vessel, chimney, steam header, piping system.....etc for Kapoo Feed – Borg El-Arab , Alexandria	2008
288	Design, manufacture, Supply & erection of a packaged ATM. Feed Water Deaerator, 15,000 liters capacity, to Alexandria Clothing Co. – Borg Elarab, Alexandria.	2008

287	Design, manufacture, Supply & erection of Byworth SMX1500 steam boiler to IICP – Borg Elarab - Alexandria	2008
286	Design, manufacture, Supply & erection of Byworth SMX3000 steam boiler, chimney, feed water unit, blow down unit, steam header, water softener & dosing system, steam PRV stations, fuel oil storage tanks, fuel oil pumps, piping, thermal insulation, electrical works,...etc for – Elsanta Poultry Factory – Elsanta-Tanta	2008
285	Design, manufacture, Supply & erection of Byworth SMX1000 steam boiler, chimney, feed water unit, blow down unit, steam header, water softener & dosing system, steam PRV stations, fuel oil storage tanks, fuel oil pumps, piping, thermal insulation, electrical works,...etc for – Industrial Animal Feed Company – Tanta	2008
284	Design, manufacture, Supply & erection of a compact packaged hot water system, skidded type, packaging Byworth HB500 hot water boiler, primary circulating pumps, make-up water unit, water softener & interconnection piping, - to EEC – Cairo.	2008
283	Design, manufacture, Supply & erection of Byworth SMX1500 steam boiler to Barons Court Sports & Leisure – at the Alexwest Radisson Sas Hotel – Alexandria.	2008
282	Design, manufacture, Supply & erection of Byworth SMX1500 steam boiler, chimney, feed water unit, blow down unit, steam header, water softener & dosing system, piping, thermal insulation, electrical works,...etc for Masria for engineering & trading, at the Sheraton Dream Land Hotel.	2008
281	Supply & erection of sound attenuation system for the Nat.Gas electric generators , from Stoodard Silencers Ltd. – Canada, and insulating the engine room internally with sound proofing system, at the new American University project in new Cairo, for the National Electricity Company.	2007
280	Design, manufacture, Supply & erection of Byworth SMX2000 – LFO firing steam boiler, chimney, feed water units, blow down separator, daily & monthly fuel oil tanks, fuel transfer pumps, softener, dosing system, piping system, thermal insulation, cladding, electrical works,etc to El-Loáloá Food Manufacturing Company, Belbeis, Egypt	2007
279	Design, manufacture, Supply of feed water deaerator 6000 liters, to Pepsi Cola Factory – Tanta.	2007
278	Design, manufacture, Supply of feed water deaerator 6000 liters, to Pepsi Cola Factory – Sohag.	2007
277	Supply of 3 shell & tube steam/water heating bundles – to Medical Union Pharmaceiticals – Abu Sultan	2007
276	Supply & erection of 3 X Byworth MX2000 steam boilers – to Barons Court Sports & Leisure – at the Alexwest Radisson Sas Hotel – Alexandria.	2007
275	Design, manufacture, Supply & erection of 2 X Baldwin MZE4000 storage shell & tube steam/water calorifiers c/w all controls & valves, One Tripple inlet blow down separator, main electric power & control panel, chimney & reaching, Condensate receiving & pumping units, water softener & dosing pumping system, Baldwin NSZF3020 A/C shell & Tube steam/water calorifiers c/w valves & controls, expansion tanks, Baldwin NSSSF2510 shell & tube steam/water calorifier c/w valves & controls, swimming pool HW circulating pumps, A/C circulating pumps, Domestic hot water circulating pumps, HP steam header c/w valves, steam PRV station, feed water unit for the steam boilers, piping , thermal insulation, electrical connections,...etc - to Barons Court Sports & Leisure – at the Alexwest Radisson Sas Hotel – Alexandria.	2007

274	Design, manufacture, Supply & erection of pressurized feed water deaerator 6000 liters/hr., duplex inlet blow down separator, free standing chimney, HP steam header c/w valve, PRV station, duplex softener system & duplex chemical dosing sets, piping, thermal insulation, at – Juhayna Blue Cheese Factory – 6th of October City.	2007
273	Supply & erection of Danstoker TDC9 steam boiler 6000 kg/hr., to – Juhayna Blue Cheese factory 6th October City.	2007
272	Supply of pre-fabricated steam trap stations for line raps arrangements – for the National Co. for Mechanical & Electrical Works – at the Core Project – Port Ghalib – Marsa Alam.	2007
271	Supply & erection of Byworth Yorkshireman YSX8000 steam boiler, at the Medical Union Pharmaceuticals Factory in Abu Sultan – Ismailia.	2007
270	Design, manufacture, Supply & erection of boiler feed water deaerator, duplex inlet blow down separator, daily fuel oil tank, fuel oil transfer pumps, chimney, piping , thermal insulation,...etc at the Medical Union Pharmaceuticals Factory in Abu Sultan – Ismailia.	2007
269	Supply & erection of Byworth Yorkshireman YSX2000 steam boiler, to Fat hens Company - Tanta	2007
268	Design, manufacture, Supply & erection of chimney & flue gas passages work for the Nat.Gas electric generator station to national Electricity Technology Company – kahraba – 6th of October City – Egypt – at Shutmed Factory, 6th of October City	2007
267	Design, manufacture, Supply of 2 X Baldwin NSSSF steam/water calorifiers for swimming pool applications, including all control system & valves, – for the National Co. for Mechanical & Electrical Works – at the Core Project – Port Ghalib – Marsa Alam	2007
266	Rehabilitation of 2 X Babcock Wanson hot water boilers, supply & erection of make-up water system, daily fuel oil tank, hot water circulating pump station, for & at General Motors Egypt, 6th of October City.	2007
265	Design, manufacture, Supply & erection of 2 x Baldwin MZE5000 calorifiers + primary pumps + secondary pumps + water treatment set + make-up tanks + chimney + fuel pumps + fuel oil tanks – at the Sheraton Dream Land Hotel – 6th of October city – for Egydan	2007
264	Design, manufacture, Supply & erection of 2 x Byworth HBX5000 hot water boilers – at the Sheraton Dream Land Hotel – 6th of October city – for Egydan.	2007
263	Design, manufacture, Supply & erection of cooling system of Nat.Gas electric generator station, comprising 2 X Baldwin NSZF2 + 3530 X Baldwin NSZF3522 shell & tube calorifiers/heat exchangers, temperature control systems/valves, circulating pumps, control panels, piping, ...to national Electricity Technology Company – kahraba – 6th of October City – Egypt – at Shutmed Factory, 6th of October City.	2007
262	Design, manufacture, Supply of Baldwin HBK120 – LFO firing, thermal oil heater/boiler, to Elsaadi Wood Factory – Suez – Egypt.	2007
261	Design, manufacturing, Supply of Byworth SMX2000 – LFO firing, steam boiler, chimney, softener, dosing system, ..etc to Elsalah Poultry Factory – Tanta – Egypt.	2007
260	Design, manufacture, Supply of Byworth SMX2000 – LFO firing, steam boiler, chimney, softener, blow down separator, feed water deaerator, dosing system, ..etc. to Alfafeed Factory – 6th of October city – Egypt.	2007

259	Design, manufacture, Supply & erection of Byworth SMX 1500 – light fuel oil firing, steam boiler, Chimney, steam boilers feed water unit, water softeners, dosing pumps, blow down system, piping system, to New Poultry Company - Tanta – Egypt.	2007
258	Design, manufacture, Supply & erection of Byworth SMX 4000 – light fuel oil firing, steam boiler, Chimney, steam boilers feed water unit, water softeners, dosing pumps, blow down system, piping system, to El-Gharbia Poultry factory – Tanta – Egypt.	2007
257	Design, manufacture, Supply & erection of Two off Byworth/Baldwin MZE2000 shell & tube storage calorifiers, steam to water type, c/w all temperature controls, valves, fittings, pressure regulating stations & piping system at the North Camp of the Multinational Forces & Observers – MFO – Gorah – Sinai.	2007
256	Modification of stainless steel electric water heater Byworth MSSE1200 to be Copper/Stainless water-less heater, to the Multinational Forces & Observers MFO – south camp – Sinai.	2007
255	Supply of pre-assembled & piped steam supply temperature control stations, comprising valves, separators, self-acting temperature controllers, electric temperature controllers, strainers, check valves, gauges & thermometers, and condensate traps trains, comprising steam traps, check valves, sight glasses, valves & strainers, to Orascom Construction Industry – to be installed in Tasluja / Iraq Cement factory – Export	2007
254	Design, manufacture, Supply of Byworth SMX4000 steam boiler, chimney, blow down vessel, water softener, dosing pumps, Feed water system duplex type, Condensate receiving & transfer system duplex type, to Orascom Construction Industry – to be installed in Bazian / Kordestan Cement factory – Export.	2007
253	Design, manufacture, Supply of Baldwin / Byworth NS.SS.F-2512—shell & tube heat exchanger/calorifier, steam to water, for swimming pool application, c/w all fittings, valves, temperature regulating controls & steam trap train, to ITS group – Cairo – shall be installed at Meridian Dahad – Dahab City – Sinai.	2006
252	Design, manufacture, Supply & erection of Byworth SMX1000 – Light fuel oil firing, steam boiler, chimney, blow down vessel/separator, steam heated & controlled boiler feed water unit, fuel oil storage & service tank, water treatment station c/w softeners & dosing pumps, interconnecting piping, at El-Salam Poultry Factory – Asiat – Upper Egypt.	2006
251	Supply & erection of Two Danstoker waste heat recovery hot water boilers c/w fully modulating diverters, Two AlfaLaval Plate heat Exchangers c/w three way valves, valves, safety, gauges & fittings, Four circulating water pumps c/w necessary valves, check valves, gauges, Forty Four temperature / pressure transmitters, Flow meters, Energy Meters, Byworth HBX 8800 natural gas fitted hot water boiler, make-up unit, water softeners, chemical dosing system, flue gas ducting work, piping network, central monitoring system c/w computer aided simulation, for the National Electricity Company – Kahraba – Cairo, at the new American University in New Cairo.	2006
250	Supply of pre-assembled & piped (packaged) Twenty Five Steam Trap stations (line traps), One Ogden pumps (steam operated condensate receiving & pumping stations) and Seven safety relief valves, to the national Co. for Electrical & Mechanical works – Cairo – to be installed at the Core Project Hotel Complex – Marsa Alam – Upper Egypt.	2006

249	Supply of Two Byworth SMX 5000 – Dual fuel firing (LPG + LFO) steam boilers, Steam flow meters, LPG flow meters, Twelve Baldwin / Byworth MZE 10000 shell & tube storage heat exchanger/calorifier (design), steam to water, for domestic water application, Steam heated boiler feed water unit c/w all fittings (design), level controls, valves, temperature regulating controls, Service fuel oil tank (design), Three NS.SS.E Baldwin / Byworth shell & tube calorifiers/ heat exchangers for swimming pool applications (design), Fifteen temperature regulating systems, Thirty Five steam trap stations (trains), Three Ogden Pumps (Design), al required pressure gauges, cocks, siphons, thermometers & valves, to the national Co. for	2006
248	Design, manufacture, Supply & erection of Baldwin / Byworth NS.SS.F shell & tube heat exchanger/calorifier, for swimming pool application, c/w three-way temperature regulating valves, valves, safety devices & controls for and at Hyat Regency Hotel Sharm Elshiekh – Sinai.	2006
247	Design, manufacture, Supply of Byworth SMX 2000 – light fuel oil firing, steam boiler, Chimney, Twin steam boilers feed water unit with Four feed pumps module & Intra controlled system, Condensate receiving unit with Twin transfer set module & intra controlled system, water softeners, dosing pumps, Danstoker waste heat Steam boiler c/w fully modulating diverters, to Orascom OCI – shall be installed t Cementech factory in Turkey / Iraq border – Export.	2006
246	Design, manufacture, Supply & erection of Baldwin / Byworth deaerator unit, 6500 liters, for & at Pepsi Cola Factory in Nasr City – Cairo.	2006
245	Design, manufacture, Supply & erection of One Byworth SMX 4000 steam boiler – oil fired, At the Arab Dairy Factory – Quaha – Daqahlya – Egypt.	2006
244	Design, manufacture, Supply & erection of pre-assembled (packaged) flash separator c/w steam trap station, line trap stations, at the new Union Air factory – 6th of October City.	2006
243	Design, manufacture, Supply & erection of the second back-up boiler this year, One Byworth SMX 1000 steam boiler, feed water & condensate receiving unit, blow down vessel, interconnecting piping – Turn Key. At the MFO south camp – Sharm Elsheikh – Sinai.	2006
242	Design, manufacture, Supply & erection of Baldwin MSSF 4000, condensate receiving unit, with interconnecting piping,. At Hyat Regency Hotel – SharmElsheikh – Sinai.	2006
241	Design, manufacture, Supply & erection of PLC control system for the cold water boosting station,. At Hilton Borg El-Arab Resort – north cost – Alexandria.	2006
240	Design, manufacture, Supply & erection of One Byworth SMX 1500, steam boiler, chimney,. At New Alfa Tex Factory, 15th of Ramadan City.	2006
239	Design, manufacture, Supply & erection of One Byworth SMX 500, steam boiler, steam heated feed water & condensate receiving unit, blow down vessel, chimney, water treatment plant, interconnecting piping – Turn Key. At Ecoconserve recycling factory – 15th May city.	2006

238	Design, manufacture, Supply of One Baldwin Pressurized Double wall UG Fuel tank, 11000 Lit,H, acc. API 650, complete with local & remote level monitoring/alarm control system, remote pressurizing monitoring & leakage monitoring alarm system, At Raya project, though Orascom OCI.	2006
237	Design, manufacture, Supply of Two Baldwin/Byworth pressure vessels, 4200 Lit, V and 400 Lit,V, acc. BS 5500, At Pfizer new factory – 6th of October city, through Orascom OCI.	2006
236	Design, manufacture, Supply of One Baldwin/Byworth pressure vessel, 200 Lit , V, acc. BS 5500. At Pfizer new factory – 6th of October city, through Orascom OCI.	2006
235	Design, manufacture, Supply of One Baldwin/Byworth MSSF 4000, heat exchanger / calorifier, storage shell & tube steam/water type, One Baldwin/Byworth NSZF2518 heat exchanger/calorifer, non storage, shell & tube steam/water type, all according to BS 853 & BS 3274 . At Pfizer new factory – 6th of October city, through Orascom OCI.	2006
234	Design, manufacture, Supply of One Baldwin/Byworth HFO suction heater, steam heated shell & tube steam/HFO type. At the central fuel field station of the Core Project – Marsa Alam, though the National Company for mechanical & electrical works.	2006
233	Design, manufacture, Supply of One Baldwin/Byworth MSSE 800, Dual Module heat exchanger / electric heater, storage shell & tube, water/ water type, with auxiliary electric heating elements for back up, secondary hot water circulating pump station, Two cold water storage vessels. At Montasser Qorashy Compoud – 6th of October city.	2006
232	Design, manufacture, Supply of One Baldwin/Byworth MSSE 1000, Dual Module heat exchanger / electric heater, storage shell & tube ,water/ water type, with auxiliary electric	2006
231	Design, manufacture, Supply & erection of One Byworth SMX 4000 steam boiler, steam heated feed water & condensate receiving unit, blow down vessel, chimney, water treatment plant, interconnecting piping – Turn Key. At Union Air new factory - 6th of October city.	2006
230	Design, manufacture, Supply & erection of One Byworth SMX 1000 steam boiler, feed water & condensate receiving unit, blow down vessel, chimney, water treatment plant, interconnecting piping – Turn Key. At Muhammad Sami Mansour – Rubber Factory – 6th of October city.	2005
229	Design, manufacture, Supply & erection of One Byworth SMX 1000 steam boiler, feed water & condensate receiving unit, blow down vessel, interconnecting piping – Turn Key. At the MFO south camp – Sharm Elsheikh – Sinai.	2005
228	Design, manufacture, Supply & erection of Two Off Byworth HBX 500 hot water boilers, Two Off Baldwin MSSE2000 storage water/water heat exchangers, primary & secondary pumps, expansion units, chimney, water treatment, piping system & electric control center. At Sofitel Cicil Hotel – Alexandria.	2005

227	Design, manufacture, Supply & erection of One Byworth SMX 2000 steam boiler . to Helnan Portsaid Hotel.	2005
226	Design, manufacture, Supply of One Byworth SMX 2000 steam boiler. To Elmansour Sweet Factory – Samannood.	2005
225	Design, manufacture, Supply of Two Off Baldwin MSSV 2000, storage electric water heaters to the MFO south camp – Sharm Elsheikh – Sinai.	2005
224	Design & manufacture of Coal/Wood turning furnace, 3000 liters volume chamber. At Minar Engineering – Cairo.	2005
223	Design, manufacture, Supply of One Baldwin/Byworth NSSF 3830 swimming pool heat exchanger. To Comet Egypt.	2005
222	Design, manufacture, Supply & erection of One Byworth HBX 2200 hot water boiler, One Baldwin/Byworth MSSF 7000 storage water/water heat exchanger, primary & secondary circulating pumps, electric control system & interconnecting pipes....etc. at the Air Defense House – Cairo.	2005
221	Design, manufacture, Supply, manufacturing & erection of Hydropneumatic Tanks System & PLC control panel for 3 X 10,000 liters vessels + 5 X 148 mt ³ /hr. @ 70 mt W.C. pumps. For Orascom Industries . at Smart Village – Cairo	2005
220	Design, manufacture, Design & manufacture of Coal/Wood turning furnace, 5000 liters volume chamber. At Minar Engineering – Cairo.	2005
219	Design, manufacture, Supply & erection of One Byworth SMX 2000 steam boiler, blow down units, interconnecting piping. At the MFO north camp – Elgorah – Sinai.	2005
218	Design, manufacture, Supply & erection of One Byworth SMX 500 steam boiler, feed water units, chimney, softeners, chemical treatment, blow down tank, interconnecting pipes, ..etc. at the Cairo University – Faculty of Agriculture.	2004
217	Design, manufacture, Supply of Two – Off Byworth HB3300 hot water boilers, expansion tanks, hot water pumps, chimney, Five – Off Baldwin Shell & Tube heat exchangers, piping system – at Savoy Hotel – Sharm, Elsheikh.	2004
216	Design, manufacture, Supply of Two – Off Byworth SMX 2000 steam boilers, feed water deaerator, blow down tanks, steam headers, expansion tanks, hot water pumps, steam reduction stations, chimney, Six –off Baldwin Shell & Tube heat exchangers, piping system – at Sierra Hotel – Sharm, Elsheikh.	2004
215	Design, manufacture, Supply of Byworth SMX 6000 steam boiler to Best Beverage factory – Samnood .	2004
214	Design, manufacture, Supply of Baldwin condensate receiving & pumping units, 2500 liters & 500 liters to ABB Abacon, to be installed at Glaxosmithkline – Cairo.	2004
213	Design, manufacture, Supply of Byworth SMX 4000 steam boiler, to Elmotahedoon Pharma – 10th of Ramdan City.	2004
212	Design, manufacture, Supply of Byworth SMX 2000 steam boiler PLC & screen controlled, gas flow meters, water flow meters, reducing gas valve & water softener to Arma Food Factory – 10th of Ramadan city.	2004
211	Design, manufacture, Supply of Two – off – Byworth SMX 1000 steam boilers to Hosam Welsaid Mahmoud contractors, to be installed at Tanta Hospital.	2004

210	Design, manufacture, Supply of Byworth SMX 500 steam boiler & feed tank, to Interyarn Factory – Borg Elarab.	2004
209	Design, manufacture, Supply & erection of Byworth SMX 500 steam boiler, feed tank, chimney, blow down tank, softener, dosing pump, heating system for fan coils, condensate collecting system, to Alfa Light Factory – Qesna.	2004
208	Design, manufacture, Supply of Byworth MZF 2500 S&T HX – to Hilton Borg Elarab Resort.	2004
207	Design, manufacture, Supply of Byworth SMY 4000 steam boiler, to Elnour Elaksa for Trading Co. – Port Said.	2004
206	Design, manufacture, Supply & erection of Byworth SMX 1000 steam boiler, Byworth MZF 6000 S&T HX, feed tank, chimney, blow down tank, water pumps, softener, dosing pumps, chimney & piping system to Elharam Hospital – Cairo – contracted by Elshams Co.	2004
205	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, to National Grease Factory – Borg Elarab.	2003
204	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, feed tank, blow down tank, chimney, fuel oil tank, softener & dosing pump, to Alfa Textile Factory – 10th of Ramdan City.	2003
203	Design, manufacture, Supply of Byworth SMX 500 steam boiler, to the Agricultural Faculty – Cairo University – by African Development Co.	2003
202	Design, manufacture, Supply of Byworth SMX 500 steam boiler, Byworth HBX 5000 hot water boiler to Royal Plaza Hotel – Sharm Elsheikh – contracted by Elsalam Touristic Co. – Cairo	2003
201	Design, manufacture, Supply of Byworth SMX 2000 steam boiler, to Wasila Tex – Borg Elarab.	2003
200	Design, manufacture, Supply of Byworth SMX 4000 steam boiler & chimney, to Arab Dairy – Qaha.	2003
199	Design, manufacture, Supply of Byworth SMX 3000 steam boiler, to Chemical for Modern Industry Co. – Cairo	2003
198	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, to Nicola Kladics Textiles Factory – Cairo	2003
197	Design, manufacture, Supply & erection of Byworth SMX 3000 steam boiler, blow down tank & piping system to Helnan Shepherd Hotel – Cairo – contracted by Egoth – Cairo.	2003
196	Design, manufacture, Supply & erection of Two –Off – Byworth HBX 1100 hot water boilers, Byworth MZE 2000 shell & tube HX, Byworth NSZF 3014 S&T HX, hot water pumps & piping system to Helnan Montaza Hotel – Alexandria – contracted by Egoth – Cairo	2003
195	Design, manufacture, Supply of Two – Off – Byworth SMX 1500 steam boilers, two – Off – Byworth MSSF 3000 shell & tube HX, to Borg Pharmaceutical Factory – Borg Elarab, contracted by Khaled Abouyoucef Co.	2003
194	Design, manufacture, Supply of Baldwin MSSE 12 – 900 kW, electric water heater to West Cairo Air Force Base, contracted by Washington Contrac.	2003
193	Design, manufacture, Supply of Byworth SMX 500 steam boiler, to Yousef Kamel Juice Factory – Cairo	2003

192	Design, manufacture, Supply & erection of Byworth MZF 4500 shell & tube HX, hot water pumps & piping system to Air Defense Guest House Hotel – Agami – Alexandria.	2003
191	Design, manufacture, Supply & erection of Byworth SMX 250 steam boiler, feed tank, chimney, blow down tank, water softener, dosing pump, to the National research Center – Cairo	2003
190	Design, manufacture, Supply of Baldwin MSSF 120 – 1000 kW, and Baldwin MSSF 60 – 500 kW, to Cairo International Airport, contracted by Speed for contracting – Cairo	2003
189	Design, manufacture, Supply of Byworth SMX 500 steam boiler, Byworth HBX 4400 hot water boiler to National Co. for Makaroni – Ismailia industrial zone.	2003
188	Design, manufacture, Supply & erection of Byworth SMX 500 steam boiler, Byworth MZF1000 shell & tube HX, feed tank, fuel tank, chimney, blow down tank, water softener, dosing pump, fuel pumps, water pumps, steam header, pressure reducing station, to Class Parfam Company – Obour City	2003
187	Design, manufacture, Supply of Byworth SMX 2000 steam boiler, to the MFO (multinational force & observers) at the north camp – Elgorah – Arish	2003
186	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, feed tank, blow down tank, softener, dosing pumps, to Otac Foam Factory – 15th May City.	2003
185	Design, manufacture, Supply of Byworth HBX 1100 hot water boiler, to Danon Mashrek – Borg Elarab City	2003
184	Design, manufacture, Supply of Byworth SMX 2000 steam boiler, to Penguin Textiles – Obour City.	2003
183	Design, manufacture, Supply of Two – Off – Byworth SMX 6000 steam boilers to Abou El- sebaa Textiles Co. – Mehalla Elkobra.	2003
182	Design, manufacture, Supply of Three – Off – Byworth SMX 1000 steam boilers, each with feed tank, blow down tank, chimney, fuel oil tank, softener, dosing pump, to EMC – Cairo – for installation in the following locations: - Elkoseir power station + Eltour power station + Mout power station	2002
181	Design, manufacture, Supply & erection of Byworth SMX 2000 steam boiler, feed tank, blow down tank, chimney, water softener, dosing pumps & piping system to Mokhtar Ramadan Rubber Factory – Borg El-Arab	2002
180	Design, manufacture, Supply & erection of Byworth SMX 2000 steam boiler, to Samotex – Mehalla Elkobra	2002
179	Design, manufacture, Supply & erection of Byworth SMX 4000 steam boiler, feed tank, blow down tank, chimney, pressure reducing station, fuel tanks, fuel pumps, water softener, dosing pumps & piping system to Egyptian Co. for Rubber – 6th of October City.	2002
178	Design, manufacture, Supply of Byworth HBK60 hot water boiler & hot water pumps, to Nova Egypt Wood factory – Alexandria.	2002

177	Design, manufacture, Supply of Two – Off – Baldwin MSSE 12 – 750 kW electric water heaters – to Carrefour – Alexandria, contracted by Siemens.	2002
176	Design, manufacture, Supply of Byworth SMX 500 steam boiler, to El-Baroudy Factory – Aslut.	2002
175	Design, manufacture, Supply of Byworth SMX 2000 steam boiler, to El-Amal co. – Cairo	2002
174	Design, manufacture, Supply & erection of Two – Off – Byworth SMX 1500, feed water tank, blow down tank, chimneys, steam header, pressure reducing station, softener, dosing pumps & piping system to Hilton Green Plaza – Smouha – Alexandria.	2002
173	Design, manufacture, Export – Byworth SMX 500 steam boiler – to Foad Hammad Elbadawy Factory – Yemen – Sanaa	2002
172	Design, manufacture, Supply & erection of Two – Off – Byworth HBX 4400 hot water boiler, two – Off – Byworth MZE 5000 shell & tube HX, hot water pumps, fuel tanks, fuel pumps, water tanks, softeners, chemical pumps & piping system to Grand Oasis Resort – Sharm El- Sheikh – by Sobhy Hussein Ahmad contracting.	2002
171	Design, manufacture, Supply of Byworth SMX 4000 steam boiler, condensate & feed water tank, blow down tank, chimney, water softener, chemical pumps, to International Co. of Adhesives – Obour City	2002
170	Design, manufacture, Supply of Byworth SMX 4000 steam boiler, condensate & feed water tank, blow down tank, chimney, water softener, chemical pumps, to Kama for Steel Processing – 10th of Ramadan City	2002
169	Design, manufacture, Supply & erection of Byworth SMX 1500 steam boiler, Byworth MZF 2500 shell & tube HX, deaerator, water tanks, fuel tanks, blow down tank, chimney, fuel pumps, water pumps, water softener, chemical pumps, pressure reducing station, steam header & piping system, at Mobarak Hospital for Central Security – located at km 21 Cairo/Sues Road, contracted by Arab Contractors – Cairo Branch.	2002
168	Rehabilitation of the water tube boilers existing at Elnasr Chemicals Company in Abou Zaabal – Cairo, for ABB Alstom power, the work included supply & erection of SEVEN burners Dunphy triple fuel, fully computerized, with central control room, new boiler/burner operational panels, new boiler controls for water & pressure, new pipe lines, also supply of SEVEN condensate collecting & pumping stations, 3000 liters each & Fourteen pumps fully packaged.	2002
167	Supply of Bentone B40 burners – for Scimitar Petroleum Services – Cairo.	2001
166	Design, manufacture, Supply & erection of Three – Off – Byworth SMX 4000, feed water deaerator, chimneys, water softener, chemical pumps, steam header & piping system, at Pepsi Cola Factory in 6th of October City.	2001
165	Design, manufacture, Supply & erection of Two – Off – Byworth HBK60 hot water boilers, Byworth MSSF 2000 shell & tube heat exchanger, chimney, hot water pumps & piping system at Bahrain Embassy – Cairo	2001
164	Design, manufacture, Supply of Byworth SMX 4000 steam boiler, to El-Amir Co. for Alcohol & Perfume Factory, 10th of Ramadan City.	2001

163	Design, manufacture, Supply of Byworth SMX 2000 steam boiler, to International Cabling Co. – 10th of Ramadan City.	2001
162	Design, manufacture, Supply & erection of Two – off – Byworth SMX 2000 steam boilers, two – Off – Byworth MSSE 4000 storage shell & tube heat exchangers, feed water tank, fuel tanks, chimney, steam header, pressure reducing station, hot water pumps, fuel pumps, water softener, chemical pumps & piping system, at Erphistone Village – Marsa Alam, contracted by Ekhtesas for Touristic Projects – Cairo.	2001
161	Design, manufacture, Supply & erection of Two – off – Byworth SMX 1500 steam boilers, two – off - Byworth MSSE 8000 shell & tube heat exchangers, each 1,500,000 BTU/Hr., steam to water, 8000 liters’ storage, feed water tank, condensate tank, pressure reducing stations, steam headers, fuel tanks, fuel pumps, hot water pumps, water softeners, chemical injection pumps, chimney, and pipe work, at Mobarak Educational City – 6th of October.	2001
160	Design, manufacture, Supply & erection of Two – off – Byworth NSZF 3822 shell & tube heat exchangers, steam to water, each 2,000,000 BTU/ Hr., steam pressure reducing station, internal piping, at Hilton Borg El-Arab Resort – contracted by Rowad Misr for Touristic Projects.	2001
159	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, to Royal Co. for food & beverage, 6th of October City	2001
158	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, to Islamic Co. for fish food, 6th of October city	2001
157	Design, manufacture, Supply of Byworth SMX 4000 steam boiler & feed water & condensate receiving tank, to Marditex – Cairo	2001
156	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, chimney, feed water & condensate tank, blow down tank, fuel tanks, to EMC – Cairo – for installation in Siwa Power Station.	2001
155	Design, manufacture, Supply of Byworth SMX 1000 steam boiler, to Nobel Aromatex – Alexandria	2001
154	Design, manufacture, Supply of Byworth SMX 500 steam boiler, to Mustafa Abbas Textile factory – Cairo	2001
153	Design, manufacture, Supply & erection of Byworth SMX500 steam boiler, blow down tank, steam header, chimney & piping system, to the National Center for Olympic teams – Maadi – Cairo	2001
152	Design, manufacture, Supply of Byworth SMX2000, oil fired steam boiler, 2000 kg/hr. 150 psig to Penguin Textiles – Cairo – Egypt.	2001
151	Design & manufacture of 4000 kg/hr. steam condenser @ 8 bar, and another 2000 kg/hr. steam condenser @ 8 bar, for Continental – Alexandria – Egypt.	2001
150	Design, manufacture, Supply & erection of Byworth HBX4400, hot water boiler, Plate & frame heat exchanger Swep for swimming pool stainless steel 316 water to water heat exchanger 4 MBTU/Hr. and all related piping system – for Alexandria Sporting Club - Alexandria.	2001
149	Design, manufacture, Supply of thermal oil boiler, 60 kW, to Dalia Wasfy Wood Processing factory – Cairo	2001
148	Design, manufacture, Supply of Two off Byworth HB500, oil fired hot water boilers, each 500,000 btu/hr. @ 65 PSIG, with one swimming pool heat exchanger, one air conditioning heat exchangers, one storage stainless steel heat exchanger, fuel tanks, water tanks, and hot water pumps, to Mr. M. Mahmoud Hassan – Cairo – Egypt.	2001

147	Design & manufacture of Marine Hydrofoe tank, 2500 liters, 10 bar.g., according to LR rules Part 5 Chapter 10, to Alexmar – Alexandria	2000
146	Design, manufacturing and supply of fired steam super heater, 1000 kg/hr. @ temperature lift 60 Deg. C to Hanotex Co. in Cairo.	2000
145	Design, manufacture, Supply & erection of Byworth HB4000, hot water boiler, water softener, dosing pumps, primary hot water pumps, make-up water pumps, pressurized expansion tank with compressor, make-up water tank stainless steel, Swimming pool stainless steel 316 water to water heat exchanger 4 MBTU/Hr. and all related piping system – for Alexandria Sporting Club - Alexandria.	2000
144	Design, manufacture, Supply of Byworth SMX2000 steam boiler, water softener, chemical dosing pump and blow down tank to Elsanta Elgididah Animal Food Company – Elsanta – Tanta – Egypt.	2000
143	Design, manufacture, Supply of Byworth HB500 hot water boiler & Byworth MZF800 storage heat exchanger to Pyramiza Nile Cruise Hotels – Cairo.	2000
142	Design, manufacture, Supply of Byworth HB4400 hot water boiler & Byworth NSSSF3822 stainless steel heat exchanger to Redwania Contracting Co. for installation in Governmental Swimming pool for teachers in Gezirah – Cairo.	2000
141	Design, manufacture, Supply of Byworth SMX1000 steam boiler to the National Oil Refinery Company in Alexandria.	2000
140	Design, manufacture, Supply of Byworth SMX1500 steam boiler, Byworth MZF5000 storage heat exchanger, Byworth BD-1 blow down tank, feed water tank, deaerator, water softener, dosing pumps, fuel oil tanks daily & monthly, fuel oil pumps & chimney for Sea Gull Village – Hurghada.	2000
139	Design, manufacture, Supply of Byworth SMX1500 steam boiler, water softener, blow down tank to Andalusia – 10th of Ramadan City – Mr. Selim Quaider.	2000
138	Design, manufacture, Supply & erection of Byworth HBX2200 hot water boiler, Byworth MSSF4000 shell & tube storage water heater, pumps, fuel tanks, chimney, booster sets, water softeners, dosing pumps & internal piping system & electrical controls, at the Airforce Guest House - Nozha Street- Cairo for Elject Co. as main contractor.	2000
137	Design, manufacture, Supply of Byworth SX500, steam boiler, with feed water system i.e. condensate & feed water tank with pumps, chimney, blow down tank, fuel oil tank, water treatment station comprising softener & dosing pump for Wails Company – Ismailia, Mr. Elhaddad.	2000
136	Design, manufacture, Supply of Byworth NSZF2512 shell & tube heat exchanger, steam to water, complete with all controls & valves, to Shield Contracting Co. for the Ismailia Education Building Authority.	2000
135	Supply of Bentone B2-60FH light oil burner and Bentone RFZ2-88 heavy oil burner to the national textile company in Mehalla Elkobra.	2000
134	Design, manufacture, supply of four fuel oil tanks 1000 liters & four oil tanks 7000 liters to Trio Contracting co. for the new airport project – Cairo.	2000

133	Design, manufacture, Supply & erection of Three Byworth HBX3300 hot water boilers, Three Byworth NSSSF3822 heat exchangers, Six Grundfos CR series hot water circulation pumps, Six Grundfos CR series fuel oil pumps, three chimneys, three stainless steel water holding tanks, three fuel oil tanks, one 22 Tons fuel oil tank, all control panels & piping systems for the Arab Fisheries Company – Geddah.	1999
132	Design, manufacture, Supply & erection of Byworth SMX2000, steam boiler, Two Byworth MSSE3000, storage water heaters, Byworth 300IMP feed water deaerator, BD-2 blow down tank, Condensate receiving & pumping system, steam pressure reducing stations, fuel tanks, pumps, and all necessary piping system for T3A Pharma Group in Asiot Plant.	1999
131	Design, manufacture, Supply of Two Byworth NSZF heat exchangers, to Mechanical Engineering & Contracting Co., Cairo.	1999
130	Design, manufacture, Supply & erection of Two Byworth SMX1000, steam boilers, Three Byworth NSZF heat exchangers, Condensate return & pumping system, feed water deaerator, fuel tanks, pumps and all necessary piping systems for Techno Pharma Egypt – Alexandria.	1999
129	Design, manufacture, Supply of Byworth SMX1000, steam boiler, to Nasa Technology, for Galvmetal Factory in Obour City.	1999
128	Design, manufacture, Supply of Byworth SMX500, steam boiler, to Dr. Olivee factory, Zakazik.	1999
127	Design, manufacture, Supply of Byworth SMX2000, steam boiler, to Tiba Food Manufacturing Co. – 10th of Ramadan City.	1998
126	Design, manufacture, Supply of Byworth SMX1500, steam boiler, to El-Waffa Co. for Animal Food Manufacturing, Kafrelsheikh – Egypt.	1998
125	Design, manufacture, Supply & erection of Byworth SMX2000, steam boiler, pipelines with reducing stations, to Alexandria Mills Co. – Amreya – Alexandria.	1998
124	Design, manufacture, Supply & erection of Byworth SMX2000, steam boiler, to Delta Foam Co. – 10th of Ramadan City.	1998
123	Design, manufacture, Supply of Byworth SMX1000, steam boiler, with stainless steel steam to water heat exchanger, and all related tanks, to International Cables Co. – 10th of Ramadan City.	1998
122	Design, manufacture, Supply of Byworth HB500, hot water boiler to Farma Sweed, 10th of Ramadan City.	1998
121	Design, manufacture, Supply of Byworth MZE600-E, Electric water heater to Emix Co. – Cairo.	1998
120	Design, manufacture, Supply of Byworth MZE7000, steam to water heat exchanger, to ETE co. – Cairo.	1998
119	Design, manufacture, Supply of Blow down tank, stainless steel frames, to Misr Pack – 10 th of Ramadan City.	1998
118	Design, manufacture, Supply of Byworth SMX2000, to Mobarak Factory for springs – 10 th of Ramadan City.	1998
117	Design, manufacture, Supply & erection of Byworth SMX2000 steam boiler, with all related steam, water, & fuel oil pipelines inside boiler room, at Egoth Oberoi Hotel – El-Arish – Sinai.	1998
116	Design, manufacture, Supply & erection of Byworth SMX500 steam boiler, at Samotex Textile, Elmehalla Elkobra.	1998

115	Design, manufacture, Supply of Byworth SMX500 steam boiler, with blow down tank & feed water tank, to Samotex Textiles Co. – Elmahalla Elkobra.	1998
114	Supply & erection of Dunphy TD410ZHLHL, dual fuel burner to Hamed Mousa factories, 10th of Ramadan City.	1998
113	Design, manufacture, Supply of Byworth SMX2000 steam boiler to Egylin Co. in Borg Alarab – Alexandria.	1998
112	Design, manufacture, Supply & erection of waste water treatment plant 50 m3/day for Incogum factory in Alexandria.	1997
111	Design, manufacture, Supply of Five – Off – Byworth HBK60, hot water boilers to Afarco Co., for installation on Mobile Boiler rooms for the Military services.	1997
110	Design, manufacture, Supply of Two – Off – Byworth SMX500 steam boilers to Sharm Holiday Hotel in Sharm – Elsheikh – Sinai.	1997
109	Design, manufacture, Supply of Byworth MZF200 electric water heater, to Asiout Cement Factory, Asiout.	1997
108	Supply of Two – Off – Byworth SMX5000 steam boilers at MAC the American co. for textiles in 10th of Ramadan City.	1997
107	Design, manufacture, Supply & erection of Byworth SMX2000 steam boiler with all boiler room tanks & ancillary equipment at the Arab Co. for Trading & Packing, Cairo.	1997
106	Design, manufacture, supply of two – Off – Byworth SMX1000 steam boilers to the Contractor Ahmed Zaki Khodair to install in the new Menofia Hospitals.	1997
105	Design, manufacture, Supply of Two – Off – Byworth SMX2000 steam boiler with Two chimneys each 15 meters’ height to Norms Contracting Company, to install in New Shebeen Elkoum Hospital.	1997
104	Design, manufacture, Supply of Byworth HBX500, hot water boiler, with hot water circulating pumps to the Egyptian Engineering office, for installation in the National Bank Club, Cairo.	1997
103	Supply & erection of Dunphy TD410ZHLH, Dual Fuel Burner for Hamed Mousa Co., in 10th of Ramadan city.	1997
102	Technical Services to Overseas Bechtel Inc., for Gas Burners supplied by the USAID for the Egyptian Private sector bakeries, Cairo.	1997
101	Design, manufacture, Supply & erection of Byworth SMX4000, and all boiler room ancillary equipment at Advanced Chemicals & Technology Co. In 6th of October city.	1997
100	Design, manufacture, Supply of Byworth SX500, Steam Boiler, to MPF - Bahrain. [Export]	1997
99	Supply of Dunphy TL410 ZHL, Light Oil Burner to Leaders Group Co. - Cairo.	1997
98	Design, manufacture, Supply & erection of Byworth SMX4000, steam boiler, and water softener, to Leaders Group Co. – Cairo.	1997
97	Supply of Two - Off Byworth YSZ12500. Steam boilers, To Menofia Paper Mills, Mahmoud Abou Elnasr & Co., Quesna.	1997
96	Design, manufacture, Supply & erection of one Byworth SMX2000, steam boiler, at PortSaid Textile Factory, PortSaid	1996

95	Design, manufacture, Supply & erection of One Byworth HBX10000, One Byworth HBX5000, Hot water Boilers, and Byworth water to water Heat Exchangers, tanks, pumps, ETC. For the swimming pool & domestic hot water at Elshams Sports Club, Cairo, for Elwatania Trading & Contracting Co.	1996
94	Design, manufacture, Supply & erection of 4 - Off Byworth HBK100, Hot water boilers, & hot water network at the Residential Houses for the American Embassy in Grand Cairo.	1996
93	Design, manufacture, Supply & erection of Byworth HBX500, water & fuel tanks, hot water pumps, & Network for Cairo University residential buildings.	1996
92	Design, manufacture, Supply & Erection of Byworth SMX2000 steam boiler, water & fuel tanks, water Softener & dosing pumps, steam & water network, at Alexandria Rice Mills Co., Amria Alexandria.	1996
91	Design, manufacture, Supply of Byworth SMX1000 steam boiler, water softener, dosing pumps, for Tiba Food Industries Co., in 10 th of Ramdan City.	1996
90	Design, manufacture, Supply of Byworth HB1000 Hot water boiler for Cleopatra Hospital, Cairo.	1996
89	Design, manufacture, Supply & erection of 2 Byworth SMX1500 steam boilers, 2 Byworth MZF2500 Heat exchangers, water & fuel tanks, water softeners, dosing pumps, steam & hot water pipelines, At Hilton Maraqia Hotel at North coast, Alexandria, for Misr Tourist Villages Co.	1996
88	Technical Services for Installation, Startup & trouble shooting for 40 PCs. Gas Burners For Overseas Bechtel Inc., Cairo, Egypt.	1996
87	Design, manufacture & erection of Pilot Plant for Sabbour Associates, to the Uganda Development corporation limited, at Katwa Salt Processing plant in Uganda, comprising Byworth SX500 steam boiler, water tank, fuel tank, brine tank, degasifier, condenser, evaporator & crystallizer, heat exchangers & pumps. [Export].	1996
86	Design, manufacture, Supply & erection of Byworth HBX3300, hot water boiler, water tanks, fuel Tanks hot water circulating pumps, and all related piping system at Sheraton Montazah, Alexandria.	1996
85	Manufacture, Supply of 4 Byworth HBX500 hot water boilers to Fairouz Company, Cairo.	1995
84	Manufacture, Supply of one Byworth HBX1000 hot water boiler to Biwater Company at Ismailia Stadium, Ismailia.	1995
83	Manufacture, Supply & erection of one Byworth SMX2000 steam boiler, water tanks (design), fuel tanks (design), Water filters & softeners, and related piping system (design), A 42 meters' height free standing chimney, at the STPP project for the International Chemical Company in Suez.	1995
82	Manufacture, Supply of One Byworth HB1000 Hot water boiler to Elmasrien Dairy Factory in Abou Elnomros, Giza Cairo.	1995
81	Manufacture, Supply & erection of Byworth SMX1000, steam Boiler, water tanks (design), fuel tanks (design), pumps and piping system (design), as well as installation for all machines & equipment in the factory of Quest International, 6 October City.	1995
80	Design, manufacture, Supply & erection of 2 Byworth MZF2100, Electric Storage water heaters, to Misr Concrete co. in Ethiopia. [Export].	1995

79	Design, manufacture, Supply & Erection of Byworth HBK60, hot water Boiler, for the residential House of Dr. Hesham Mokhtar, Alexandria.	1995
78	Design, manufacture, Supply & Erection of a 16 kW, electric water heater, for Belaidy Building, Cairo	1995
77	Manufacture, Supply & erection of Byworth HBX500, hot water boiler, for Mobica Building, Cairo.	1995
76	Manufacture, Supply & erection of Byworth SMX1000, steam boiler, to the Gilatinia Pharmaceutical Co. in Amria, Alexandria.	1995
75	Manufacture, Supply & Erection of Byworth SMX1000, steam boiler for Queder Sweet Factory, 10 th of Ramadan City.	1995
74	Manufacture, Supply & Erection of Byworth SMX4000 steam boiler, water tank, fuel tank, piping system to Pepsi Cola International, Amria, Alexandria.	1995
73	Design, manufacture, Supply & erection of Byworth HBK60, hot water boiler, 60 kW water to water heat exchanger (design), pumps, tanks (design), for heating up a swimming pool in the north coast tourist area Alexandria.	1995
72	Design, manufacture & Supply of Byworth HBK60, for Firoz trading Co.	1995
71	Manufacture, supply of 2 Byworth HBX500, hot water boilers, for Firoz Trading Co.	1995
70	Design, packaging, Supply & erection of a Fire Fighting Station, comprising diesel driven pump, electric pump, jockey pump and controls and piping system, for Madareb Eskendria Co., Amria Alexandria.	1995
69	Design, manufacture, Supply & Erection of 10 Mobile hot water generation systems, each comprising one Byworth HBK60 hot water boiler, AC diesel generator, fuel tank water tank and piping system, for the Ministry of Defense.	1995
68	Manufacture, Supply & Erection of 2 Byworth SMX2000, for Helnan Hotel at Port Said.	1995
67	Manufacture, Supply & Erection of Byworth SMX2000, steam boiler, at Minoutex Co., Qesna.	1995
66	Manufacture, Supply of Byworth SMX2000, steam Boiler, to New Cooler Co., Cairo.	1995
65	Manufacture, Supply & erection of 2 Byworth HBX500, hot water boilers, pumps, water tanks (design), fuel tanks (design) and piping system (design), at Elkatta Prison, for the Arab Contractors	1994
64	Supply & Erection of Byworth SMX6000, steam boiler, at Diamond Textiles, 10 th of Ramadan City	1994
63	Manufacture, Supply & Erection of Byworth HB2200, hot water boiler, for the Cables International Co.,10 th of Ramadan City.	1994
62	Manufacture, Supply of Byworth SMX1000, steam boiler, water tanks (design), fuel tanks (design), and piping system (design) for Mido Sweet Factory, 10 th of Ramadan City.	1994
61	Manufacture, Supply & erection of Byworth HB500, hot water boiler, for Mido Sweets Factory 10 th of Ramadan City.	1994
60	Manufacture, Supply & erection of Byworth SMX4000, steam boiler, water tanks (design), fuel tanks (design), water softener, pumps. and piping system (design) at Hamed Mousa Factory, 10 th of Ramadan City.	1994

59	Manufacture, Supply & erection of Byworth SMX1000, steam boiler, water tanks (design), fuel tanks (design), pumps Water softener, and piping system (design), for Hamed Mousa Factory, 10 th of Ramadan City.	1994
58	Manufacture, Supply of Byworth SMX2000, steam boiler to Abnaa Atif Abou Elnasr textile Factory, Alexandria	1994
57	Manufacture, Supply & erection of 2 Byworth SMX2000, steam boilers, 500,000 BTU's/hr. steam to water heat exchanger (design), pumps, water tanks (design), fuel tanks (design) and piping system (design), at the Central Security Hospital, Nasr City – Cairo.	1994
56	Manufacture, Supply of 6 Byworth HBX1000, hot water boilers, to Ratomag Co., Cairo.	1994
55	Manufacture, Supply & erection of Byworth SMX2000, water tanks (design), fuel tanks (design), pumps, water Softener and piping system (design) for Olympic Factory of Washing Machines in 10 th of Ramadan City.	1994
54	Design, manufacture & Supply of Byworth HBK60, hot water boiler, to the German Co. of Solar Energy	1994
53	Manufacture, Supply & erection of one Byworth SMX500, steam boiler, at the Heat Laboratory, in Cairo University, Faculty of Engineering.	1994
52	Supply & Erection of 3 Byworth SMX5000 steam boilers, at American Carpet Mills in 10 th of Ramadan City.	1994
51	Manufacture, Supply & erection of one Byworth SMX500, steam boiler, at the Multi National Force & Observers (MFO) South Camp, Sharm Elsheikh, Sinai.	1993
50	Supply & erection of Byworth YSX10000, steam boiler, for Elgiza Elahlia Co., Abou Elnomros, Giza	1993
49	Manufacture, Supply & erection of Byworth HB1100, hot water Boiler, to Indiana Hotel, Doki Cairo.	1993
48	Manufacture, Supply & Erection of Swimming pool heating system, comprising 2 Byworth HB4400, hot water boilers, one 4,400,000 BTU's/hr. water to water heat exchanger (design), pumps, water tanks (design), fuel tanks (design) and piping system (design), for Elzamalek Sports Club, Cairo.	1993
47	Manufacture, Supply & erection of Byworth HBX2200, hot water boiler, for Nimos Farms, Giza.	1993
46	Design, manufacture, Supply & Erection of Aggregate Drying Oven, for the International Co. for Metallurgy, Sadat City.	1993
45	Manufacture, Supply & Erection of 2 Byworth SMX500 steam boilers, water tanks (design), fuel tanks (design) water softener, and piping system (design) for Sonesta Hotel, Port Said.	1993
44	Manufacture, Supply & Erection of 2 Byworth SMX2000, steam boilers, water tanks (design), fuel tanks (design), piping system (design) for the Swiss Co. for Textiles, 10 th of Ramadan City.	1993
43	Manufacture, Supply & erection of Byworth SMX2000, steam boiler, for Penguin Textiles Co. Elzawya Elhamra Cairo.	1992
42	Manufacture, Supply & Erection of Byworth SMX2000 steam boiler, water tanks (design), fuel tanks (design), water softener and piping system (design) for Rocell Uclaf Medical Factory, 6 October City	1992

41	Manufacture, Supply & Erection of Byworth SMX1000, steam boiler, water tanks (design), fuel tanks (design) water softener, and piping system (design), for Masrieen Dairy Co., Abou Elnomros, Giza.	1992
40	Manufacture, Supply of Byworth SMX500, steam boiler, to Atif Abou Elnasr Textile Co., Alexandria.	1992
39	Manufacture, Supply & erection of 2 Byworth SMX1000, steam boiler, water tanks (design), fuel tanks (design), water softeners and piping system (design), for the Egyptian Spanish Textile Co., 10 th of Ramadan City.	1992
38	Manufacture, Supply & erection of Byworth HBX500, hot water boiler, for Aracemco Co., Cairo	1992
37	Manufacture, Supply & erection of Byworth SMX1000, steam boiler. for the Baron Hotel, Cairo	1992
36	Manufacture, Supply & erection of Byworth HBX500, hot water boiler, for the Danish Arabic Cheese Factory, Giza	1991
35	Manufacture, Supply & Erection of 2 Byworth SMY4000, steam Boilers, water treatment plant, water tanks (design), fuel tanks (design), pumps and piping system (design), at Misr Compressor Co., 10 th of Ramadan City.	1991
34	Manufacture, Supply & erection of Byworth SMX1000, Byworth SMX2000, steam boilers, water Tanks (design), steam to water heat exchanger 2,000,000 BTU's/hr. (design), fuel tanks (design), pumps, water softeners, and piping system (design), for the United Co, of Textiles, Mataria, Cairo.	1991
33	Manufacture, Supply & Erection of 2 Byworth HBX500, for Mahmodia General Contracting Co., Alexandria.	1991
32	Manufacture, Supply & erection of 2 Byworth HBX500, hot water boilers, water tanks (design), fuel tanks (design), And piping system (design), for Giza Co. for Food industry, Giza.	1990
31	Manufacture, Supply of one Byworth HBX4400, hot water boiler, for Karnak Chair Co., Cairo.	1990
30	Manufacture, Supply & erection of one Byworth SMX2000, steam boiler, for Attalah Commercial Co. Alexandria.	1990
29	Manufacture, Supply & erection of one Byworth SMX1000, steam boiler, at Mouasah Hospital, Alexandria.	1989
28	Manufacture, Supply of One Byworth SMX500, to the Dairy Factory of Abdelraouf, Alexandria.	1989
27	Manufacture, Supply of one Byworth SMX500 steam boiler, for the Tholathia Co. for Textile industry, Cairo.	1989
26	Manufacture, Supply of one Byworth HBX500, hot water boiler, for Variety Co., Cairo.	1989
25	Manufacture, Supply & erection of 2 Byworth HBX4400, hot water boilers, water tanks (design), fuel tanks (design), pumps, and piping system (design), at the farms of Alfa International Co., Fakkooos Zakazik	1988
24	Manufacture, Supply & erection of one Byworth SMX500, steam boiler, water tanks (design), fuel tanks (design), Water Softeners, pumps, and piping system (design), at Giza Agriculture Co., Abu Elnomros, Giza.	1988
23	Supply & erection of one Byworth HBX1000, one Byworth HBX500, at Nile Cruise Ships For Egyptian Cruise Lines Co., Cairo.	1988

22	Manufacture, Supply & Erection of one Byworth SMX1000, steam boiler, water tanks (design), fuel tanks (design), water softener, pumps and piping system (design), at Shelbaia Rubber Factory, Hawamdia , Giza.	1987
21	Manufacture, Supply & Erection of one Byworth SMX500 steam boiler, water tanks (design), fuel Tanks (design), Water softener and piping system (design), at Green Pyramids Hotel, Haram, Giza	1987
20	Manufacture, Supply & Erection of 2 Byworth SMX1000 steam boilers, 2 steam to water heat exchanger s (design), water tanks (design), fuel tanks (design), pumps, and piping system (design) at 15 th May Hospital, 15 th May City, Helwan.	1987
19	Manufacture, Supply & erection of one Byworth HBX500 hot water boiler, at Aqua Marina Hotel in Dahab, Sinai.	1987
18	Manufacture, Supply & erection of one Byworth HB500 hot water boiler, at Marina Sharm Hotel in Sharm Elsheikh, Sinai.	1987
17	Manufacture, Supply & erection of 2 Byworth SMX4000 steam boilers, 3 x steam to water heat exchangers (design), each 1,000,000 BTU's/hr., water tanks (design), fuel tanks (design), pumps, water softeners and piping system (design), at the Medical Insurance Hospital, Alexandria.	1987
16	Manufacture, Supply & Erection of 2 Byworth SX5000, steam Boiler, water tanks (design), fuel tanks (design), water softener, fans and piping system (design), at Cannon House, Cairo, for the ministry of Defense.	1986
15	Manufacture, Supply & Erection of 2 Byworth HBX1500, hot water boiler, water tanks (design), fuel tanks (design), piping system (design), at Elzamalek Hotel, Cairo.	1986
14	Manufacture, Supply & erection of 2 Byworth SMX1000, steam boiler, water tanks (design), fuel tanks (design), water softening unit, piping system (design), at Air Force Residential Hotel, Cairo for the ministry of Defense.	1986
13	Supply & erection of Steam, water, condensate and Fuel pipe lines, at Mostafa Kamel Military Hospital, Alexandria.	1986
12	Manufacture, Supply & Erection of 42 Byworth HBX500, hot water boilers, and 12 Byworth SMX1000, steam Boilers, at Haykestebb Military City, for the ministry of Defense.	1986
11	Supply & Erection of 6 units, steam to water heat exchangers, water tanks, fuel tanks, pumps and piping systems at Kobry Elkobba Military Hospital, Cairo for Ministry of Defense.	1983
10	Supply & Erection of 2 Byworth SX2500, steam boilers, water tanks, fuel tanks, water softening units and piping systems, for Elnile Badrawy Hospital, Cairo.	1983
9	Supply & Erection of 2 Byworth SMX500, steam boilers, for students Hospital of Alexandria University.	1983
8	Supply & Erection of 2 Byworth HBX1500, hot water boiler, 400,000 BTU's/Hr. water to water heat exchanger, fuel tanks, water tanks, pumps, fans and piping system at Helmia Military Hospital, Cairo, for the Ministry of Defense.	1983
7	Supply & Erection of one Byworth SX8000 and piping systems, at Mouasah Hospital, Alexandria.	1983

6	Supply & Erection of one Byworth HBX1000, hot water boiler, heat exchanger 1,000,000 BTU's/Hr., water tanks, fuel tanks, piping systems, pumps, sewage diesel pumps, also building pumps room, at Tanta Military Camp, for the ministry of Defense.	1982
5	Supply & Erection of one Byworth HBX1000 hot water boiler, fuel tanks, water tanks, and piping system, at Haram Military Camp, for the Ministry of Defense.	1982
4	Supply & Erection of the new Machinery of the United Cosmetics Co., including one Byworth SX3000 steam Boiler, one Clayton c1000 Steam Boiler, Piping system for Steam water fuel & Air and water softening units, for the United Cosmetic Co., Zeitoun, Cairo.	1982
3	Supply & Erection of water piping systems & Air duct work, at Aircraft's maintenance workshop in Hykestebb, for General Electric Co. & Sadelmy.	1982
2	Supply & Erection of water & firefighting piping systems, at Cairo Airport maintenance workshops for Aircraft's, for Egypt Air.	1982
1	Supply & Erection of steam generation plant, including 2 Byworth SMX4000 steam boilers, tanks, piping systems, pumps, cooling towers, compressors and water softening units, at the Military Engineers Workshop, km 40, Cairo Ismailia Desert road, For the ministry of Defense.	1982
